## MARSH LAKE ROAD MAINTENANCE AGREEMENT

THIS AGREEMENT is made by and between the CITY OF VICTORIA, a Minnesota municipal corporation (the "City") and the TOWN OF LAKETOWN, a political subdivision under the laws of Minnesota (the "Town").

Recitals

A. The City and the Town have entered into that certain "Stipulation By Joint Resolution As To Orderly Annexation No 76-47", as amended by that certain "Joint Resolution Stipulating To The Amendment Of The Orderly Annexation Agreement No.76-47" (collectively, the "Annexation Agreement") providing for the phased annexation of land described therein from the Town by the City.

B. The City intends to implement annexation of certain land in the southern portion of the annexation area as permitted by the Annexation Agreement (the "Master Plan Area" as described in the Annexation Agreement) including an area containing the complete right of way of Marsh Lake Road as it is described in the Annexation Agreement (the "Road"), by a amendment to the Annexation Agreement by the City and the Town.

C. The Annexation Agreement currently provides for joint maintenance of the Road. Since the City is annexing additional land adjacent to or served by the Road and the entire right of way of the Road, the City and Town desire to enter into an agreement with respect to the future maintenance of the Road subsequent to the pending annexation.

Terms of Agreement

1. Commencement Date. This Agreement is binding on the parties as of the date the pending annexation is approved by the State of Minnesota. The pending annexation shall provide for the annexation by the City of the entire right of way of the Road from CSAH 43 to CSAH 11. The parties' future obligations with respect to maintenance of the Road will commence on the first day of the month next following the date of such approval (the "Commencement Date"). Thereafter, the City shall have control of all existing or proposed access points to the Road.

2. Town Road Maintenance. The Town agrees to perform all maintenance and repair of the unimproved (gravel) portions of the Road, all in accordance with the Town's policies and practices with respect to similar roads in the Town, including but not limited to: grading, snow plowing, the addition of class 5 gravel; dust control; mowing of right-of-way, tree removal, maintenance and repair of ditches and culverts; maintenance and replacement of signage (the "Town Road Maintenance").

3. Payment for Town Road Maintenance. Until termination as provided in paragraph 6 of this Agreement, the City agrees to annually pay the Town a sum of money equal to the Town's costs for labor and materials to defray the cost of the Town Road Maintenance (the "Maintenance Payment"). The Town shall bill the City for the Maintenance Payment annually in December.

4. City Road Maintenance. The City shall continue to maintain those sections of the Road currently constructed to City specifications as an urban road, and any sections of the Road constructed to City specifications as an urban road subsequent to the pending annexation, all in accordance with the City's policies and practices with respect to similar roads in the City, at its sole cost and expense.

5. Indemnity; Insurance. A. The Town agrees to indemnify and hold harmless the City, and the City's officers, employees or agents, from and against all claims, costs, expenses, damages or liabilities (including reasonable attorney's fees and costs) arising or resulting from the negligent or willful act or omission of the Town or the Town's officers, employees or agents relating to the Town's performance of its maintenance activities under this Agreement. Nothing herein shall be deemed a waiver by either party of the limitations on liability set forth in Minnesota Statutes, Chapter 466, as amended.

B. The City agrees to indemnify and hold harmless the Town and the Town's officers, employees or agents, from and against all claims, costs, expenses, damages or liabilities (including reasonable attorney's fees and costs) arising or resulting from the negligent or willful act or omission of the City or the City's officers, employees or agents relating to the City's performance of its maintenance activities under this Agreement. Nothing herein shall be deemed a waiver by either party of the limitations on liability set forth in Minnesota Statutes, Chapter 466.

C. The parties shall each carry appropriate policies of insurance for the purpose of providing insurance coverage for the respective duties under this Agreement.

6. Term; Modification. This Agreement shall remain in full force and effect until the Road is fully paved as an urban road by the City, or sooner terminated by a resolution of each party. This Agreement may be modified by the parties at any time.

7. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been given upon deposit in the United States Mail as Certified Mail or Registered Mail, Return Receipt Requested, postage prepaid, and addressed to the party being notified at the address given below (or such other address which a party may designate for itself from time to time hereafter by written notice to the other party):

## SURVEY NOTES

- 1.) No field work performed for this sketch.
- 2.) Title search conducted by Corvair County Abstract and Title CO., Inc. on March 29, 2010. A search was made for all encumbrances within annotation property boundaries shown. All encumbrances found by that search are shown on this sketch with the exception of Doc. 147167 (Easement release) which is unrecorded and Doc. A394491 (Roadway Easement) which is untraceable due to a bad call.
- 3.) Ownership of the 80th Street right of way as donated and dedicated on the plat of "CHEVALLE" is unclear. Legal consultation is advised to determine correct ownership of this property.
- 4.) Section breakdown as per Corvair County Survey Office.

**TOWNSHIP OF LAKETOWN RESOLUTION n/a.**

**JOINT RESOLUTION STIPULATING TO THE AMENDMENT  
OF THE ORDERLY ANNEXATION AGREEMENT NO. 76-47 AND THE ORDERLY  
ANNEXATION OF PROPERTY**

**WHEREAS**, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed to an orderly annexation agreement (the "Agreement") pursuant to Minnesota Statutes Chapter 414 for the annexation of certain unincorporated territory in the Township of Laketown; and

**WHEREAS**, the Municipal Board of the State of Minnesota, pursuant to Resolution Number 76-47, has approved and ordered the implementation of such Agreement; and

**WHEREAS**, the City of Waconia (the "City") has received a request for the annexation of approximately 187 acres of real property shown in **Exhibit A** and legally described on **Exhibit B** (the "Property"), which Property lies within the area designated in the Agreement for orderly annexation by the City; and

**WHEREAS**, the Property is to be part of a master planned, mixed-use development that will be serviced by utilities provided by the City of Waconia, and, therefore, is or is about to become urban and suburban in character; and

**WHEREAS**, the City and the Township of Laketown (the "Township") hereby intend to amend the Agreement relating to the rights, duties and responsibilities of the Township and the City in regard to the Property;

**NOW, THEREFORE**, be it resolved by the City Council of Waconia, Minnesota and the Town Board of the Township of Laketown:

1. **The Property.** The terms of this Amendment shall only apply to the Property. This Amendment does not affect the terms of the Agreement in regard to any other real property subject to the Agreement.
2. **Annexation Designation.** The Township and the City hereby designate the Property for orderly annexation, pursuant to Minnesota Statute § 414.0325.

3. **Jurisdiction.** Upon approval of this Joint Resolution by the Township and the City, this Joint Resolution shall confer jurisdiction upon the Office of Administrative Hearings, Municipal Boundary Adjustments, or its successor, so as to accomplish said orderly annexation in accordance with the terms of this Joint Resolution.
4. **No Alteration of Boundaries.** The Township and the City agree that the Property is in need of orderly annexation and that no alteration of the stated boundaries as described in this Joint Resolution is appropriate.
5. **Annexation.**
  - A. The Township and the City agree that the conditions of annexation shall be governed by this Joint Resolution and that no further consideration by the director is necessary. Therefore, the director may review and comment, but shall, within 30 days, approve and order annexations of the Property in accordance with the terms of this Joint Resolution.
  - B. Annexation of any portion of the Property shall occur upon the occurrence of all of the following events:
    - i. Delivery of a petition of the owner of the Property to the City for the annexation of all or a portion of the Property; and
    - ii. Passage of a resolution by the City requesting Minnesota Boundary Adjustments to annex such portion of the Property; and
    - iii. Written confirmation from the Township Clerk to Minnesota Boundary Adjustments and the City Clerk that the owner of the Property has complied with the taxation reimbursement requirements of that certain agreement titled "Annexation Agreement" between Laketown Township and Plowshares Development dated March 13, 2006 as to the portion of the Property petitioned for annexation.
6. **Corporate Boundaries.** As properties are annexed to the City consistent with the terms of this agreement, Minnesota Boundary Adjustments shall amend the corporate boundaries for Waconia consistent with this Joint Resolution.
7. **Storm Water Drainage.** The city shall require the installation of wet storm water ponds to control the rate of runoff and provide water quality treatment. The City shall require storm water ponds with sufficient live storage to attenuate post-development runoff rates to pre-development runoff rates for the 2-year, 10-year, and 100-year 24-hour storm events; and the 100-year 10-day runoff event. From a water quality standpoint, the permanent pool volume shall be sized in accordance with National Urban Runoff Program (NURP) recommendations. Furthermore, the City will be responsible to maintain conformance with MPCA and NPDES rules for pollutant and runoff volume

- reduction. In addition, unless otherwise agreed to by the parties, the City, through its developer's agreement, shall require that any drain tile lines located on the Property and serving adjacent property within the Township either: 1) not be materially impacted by the development; 2) be connected to the City's storm sewer system; or 3) be relocated, as necessary, so as to allow such tile lines to serve their intended purpose.
8. **Levied Assessments.** The City does not assume by this annexation any liability or responsibility for the payment of any obligations issued to finance public improvements constructed by the Township or for which the Township levied special assessments. If the Property is paying special assessments levied by the Township, the City shall collect such money and return such money to the Township within 30 days of receipt by the City.
  9. **Property Taxes.** Section 33 of the Agreement is hereby deleted in its entirety in regard to the Property. The mill levy of the City for the Property shall be the City's full rate.
  10. **Development.** In regard to the Property, the City agrees as follows:
    - A. The City shall follow the development procedures outlined in the City of Waconia Subdivision Code.
    - B. The City shall forward to the Town Clerk all preliminary plat submissions for the Property, and shall send the Town Clerk notice of all public meetings for concept plan approval, preliminary plat approval and final plat approval for the Property.
  11. **Uses.** The City and the Township acknowledge that Minnesota Statutes Section 462.357 Subd. 1c provides that a municipality must not enact, amend, or enforce an ordinance providing for the elimination or termination of a use by amortization which use was lawful at the time of its inception. The City and Township agree to work in good faith to address issues that may arise as anticipated property use conflicts arise.
  12. **Deferred Assessments.** With respect to road, sewer and water improvements to be constructed within the Property, the City's policy for deferred, delayed, or future assessments for such improvements against real property still located in the Township shall be as follows:
    - A. **Sanitary Sewer and Water Utilities.** The City shall not specially assess any properties in the Township related to the cost of construction of sanitary sewer and water utilities installed as part of the development of the Property until such properties are annexed into the City, if ever. The City may not impose connection, access and area charges on properties in the Township until such properties are annexed into the City, at which point charges shall be applied as allowed by law or City code.
    - B. **Street and Curb and Gutter and Storm Sewer Utilities.** The City shall not specially assess any properties in the Township related to the cost of construction of streets, curb, gutter or storm sewer for the Property until such properties are annexed into the City, if ever.

- C. Reservation of Rights. The City of Waconia reserves the right to enter into development agreements with the developer of the Property that vary from the terms of this paragraph with respect to such parcel.
14. Planning Authority. Planning, zoning, and subdivision authority over the Property shall be under the jurisdiction of the City, and all City zoning and subdivision ordinances and the City's Comprehensive Plan shall apply to the Property. The City and the Township shall jointly request the County of Carver transfer planning, zoning, and subdivision authority over the Property to the City of Waconia.
15. Authorization. The appropriate officers of the City and Township are hereby authorized to carry the terms of this Joint Resolution into effect.
16. Severability and Repealer. A determination that a provision of this Joint Resolution is unlawful or enforceable shall not affect the validity or enforceability of the other provisions herein.
17. Costs Associated with the Orderly Annexation Agreement. Each party shall pay its own costs incurred in the negotiation, development and implementation of this Agreement.
18. Venue. The venue for all actions concerning this Agreement shall be Carver County, Minnesota.
19. Entire Agreement. With respect to the Property only, the terms, covenants, conditions, and provisions of this Joint Resolution shall constitute the entire agreement between the parties hereto superseding all prior agreements and negotiations between the parties.
20. Notice. Any notices required under the provisions of this Joint Resolution shall be in writing and deemed sufficiently given if delivered in person or sent by U.S. mail, postage prepaid, to the City Administrator or to the Township Clerk at their official addresses.
21. Legal Description and Mapping. The Township and City agree that in the event there are errors, omissions or any other problems with the legal description provided in **Exhibit A** or mapping provided in **Exhibit B**, in the judgment of the Office of Administrative Hearings, the City and Township agree to make such corrections and file any additional documentation, including new **Exhibits A or B** making the corrections requested or required by the Office of Administrative Hearings as necessary to make effective the annexation of said Subject Area in accordance with the terms of this Joint Resolution.

This Joint Resolution shall be effective solely upon approval by both the Laketown Township Board and the Waconia City Council.

APPROVED BY THE TOWNSHIP OF LAKETOWN THIS 13th DAY OF March, 2006.

**CITY OF VICTORIA  
RESOLUTION 04-08**

**TOWNSHIP OF LAKETOWN RESOLUTION 2004-01.**

**JOINT RESOLUTION STIPULATING TO THE AMENDMENT  
OF THE ORDERLY ANNEXATION AGREEMENT NO. 76-47  
AMONG THE MUNICIPALITIES OF CHASKA, VICTORIA AND WACONIA, AND THE  
TOWNSHIP OF LAKETOWN**

**WHEREAS**, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed to an orderly annexation agreement (the "Agreement") pursuant to Minnesota Statutes Chapter 414 for the annexation of certain unincorporated territory in the Township of Laketown; and

**WHEREAS**, the Municipal Board of the State of Minnesota pursuant to Resolution Number 76-47 has approved and ordered the implementation of such Agreement; and

**WHEREAS**, the City of Victoria (the "City") and the Township of Laketown (the "Township") intend to amend that portion of the Agreement relating to the rights, duties and responsibilities of the Township and the City in the Victoria portion of the Agreement; and

**WHEREAS**, the City has completed the Victoria South Subarea Study (the "Study") and has developed the Victoria South Master Plan (the "Master Plan") for a portion of the area designated to be annexed by Victoria in the Agreement; and

**WHEREAS**, the City and the Township intend to have annexation in this area proceed in phases according to the Master Plan.

**NOW, THEREFORE**, be it resolved by the City Council of Victoria, Minnesota and the Town Board of the Township of Laketown:

1. The area covered by this amendment studied and defined in the Master Plan, consists of approximately 1300 acres. The depiction of the area to be annexed is shown in Exhibit A ("Master Plan Area"), and is legally described on Exhibit B.
2. The Township and the City agree that development and annexation will occur in phases according to the provisions of the Master Plan. All land to be annexed in the Master Plan Area shall abut the City. The Township and the City agree that as the City implements the Master Plan by granting required zoning approvals, the City may by resolution annex those areas designated for annexation in the Master Plan Area without further action of the Township. The City will advise the Township of its intention to enact such annexation resolution at least thirty (30) days prior to any such City approval.

3. The first area subject to annexation in the Master Plan Area, is the location for a proposed residential development which may include the development and construction of a public school. The City has identified the land comprising this proposed development, as well as additional parcels, which collectively, will be the first phase of annexation under the Master Plan (Phase I). Phase I is depicted on Exhibit C and is legally described on Exhibit D.
4. The Township and the City hereby designate the Master Plan Area for orderly annexation, pursuant to Minnesota Statute § 414.0325. The Township and the City agree that Phase I may be annexed at the sole discretion of the City by resolution at any time subsequent to the approval of this amendment to the Agreement. Upon evidence of such City resolution, Minnesota Boundary Adjustments, Department of Administration ("MBA") shall amend the corporate boundaries for Victoria consistent with that resolution and accompanying boundary map pursuant to this paragraph 4 and paragraph 17 of this Amendment.
5. The City shall cause Marsh Lake Road from CSAH 43 to CSAH 11 to be paved with bituminous pavement when the City approves access from adjacent contiguous development to Marsh Lake Road. In this event, the City shall cause Marsh Lake Road to be paved from the point of access to the nearest paved road (CSAH 11 or CSAH 43), or nearest paved portion of Marsh Lake Road if a portion of Marsh Lake Road has previously been paved under the terms of this paragraph. When at least 50% of Marsh Lake Road has been paved as provided above, the City shall cause the remainder of Marsh Lake Road between CSAH 11 and CSAH 43 be paved. Until Marsh Lake Road is fully paved and fully annexed into the City, the Township shall continue to snowplow the gravel portions of Marsh Lake Road at the Township's sole cost and expense. The Township shall perform all maintenance on the gravel portions of Marsh Lake Road. Pursuant to a calculation of 2004 maintenance activity on Marsh Lake Road performed by the Township, the Township and the City shall jointly agree on the base level of maintenance for the unimproved (gravel) portion of Marsh Lake Road, which the parties intend to be the same level of maintenance activity performed by the Township on Marsh Lake Road in 2004. "Maintenance" for the gravel portion of the road includes repair and grading of the gravel surface, including any needed additional gravel and dust coating. In 2005 and in subsequent years until annexation of the Master Plan Area is complete along the entire length of Marsh Lake Road, the City shall be responsible for maintenance costs incurred by the Township for the gravel portion of Marsh Lake Road which are in excess of the 2004 base level costs as calculated above. As portions of Marsh Lake Road are paved pursuant to this Agreement, the 2004 base level maintenance costs for the gravel portion of Marsh Lake Road shall decrease in direct proportion to the percentage of Marsh Lake Road which is paved. Any such adjustment shall be effective beginning in the year after such pavement is installed. The Township shall bill the City for its share of Marsh Lake Road maintenance in December of each year. The City shall be responsible for any maintenance costs for the paved portion of Marsh Lake Road. In the event Carver County establishes Marsh Lake Road as a County Highway, the City's and Township's obligations under this paragraph shall terminate.

6. For all properties annexed under this Agreement, the City shall require in its developer's agreements that during development (including construction of residences and other structures) all construction traffic shall use Carver County highways or City streets, and that Township roads may be used only when no Carver County highway or City street is available. The City's developer's agreements shall also require that the Developer pay the Township for the reasonable cost to repair any road damage that occurs when construction traffic uses Township roads in violation of this paragraph.
7. The City shall cause Tellers Road from CSAH 43 to the western most boundary of the property shown on Exhibit B to be paved with bituminous pavement, when: 1) the City approves access from adjacent contiguous development, or 2) the City determines that adjacent contiguous development requires that Tellers Road should be paved, or 3) the properties in the Master Plan Area abutting the north side of Tellers Road have been fully developed. The Township shall continue to snowplow the entire length of Tellers Road at its sole cost and expense even after Tellers Road is paved until such time as no property in the Township abuts such paved portion of Tellers Road. The Township shall perform all maintenance on the gravel portion of Tellers Road from CSAH 43 to the paved portion of Laketown Road. Pursuant to a calculation of 2004 maintenance activity on Tellers Road performed by the Township, the Township and the City shall jointly agree on the base level of maintenance for the unimproved (gravel) portion of Tellers Road, which the parties intend to be the same level of maintenance activity performed by the Township on Tellers Road in 2004. "Maintenance" for the gravel portion of Tellers Road shall include repair and grading of the gravel surface, including additional gravel and the cost of dust coating. In 2005 and subsequent years until annexation is complete, the City shall be responsible for maintenance costs of the paved portion of Tellers Road, and the gravel portion maintenance costs of Tellers Road in excess of the 2004 base level. As portions of Tellers Road are paved pursuant to this Agreement, the 2004 base level maintenance costs for the gravel portion of Tellers Road shall decrease in direct proportion to the percentage of Tellers Road which is paved. Any such adjustment shall be effective beginning in the year after such pavement is installed. The Township shall bill the City for its share of Tellers Road maintenance in December of each year. The City shall be responsible for any maintenance costs for the paved portion of Tellers Road. In the event Carver County establishes Tellers Road as a County Highway, the City's and Township's obligations under this paragraph shall terminate.
8. The Township shall choose one of the following options with respect to the existing residential property on Maple and Krey Avenues:
  - a. Upon the annexation of the residential properties on Maple and Krey Avenues shown on the attached Exhibit E, the City shall cause Maple and Krey Avenues to be paved. The City may specially assess the existing residential properties for the costs related to such paving. Each of the existing homes on Maple and Krey Avenues which are already connected to sewer shall remain at Victoria's rural tax rate until the sale or transfer of such property.

- b. Upon the annexation of the residential properties on Maple and Krey Avenues shown on the attached Exhibit E, the City shall cause Maple and Krey Avenues to be paved. The City shall not specially assess the existing residential properties for the costs related to such paving. Each property on Maple and Krey Avenues shall transition to the City's urban tax rate upon annexation. For taxes payable in years 2005 through 2010, subject to the requirements in paragraph 10 of this Amendment, the properties shall be taxed at the City's rural rate. Thereafter, commencing for taxes payable in year 2011, such properties shall transition to the City's urban tax rate over a four (4) year step-up period, with rates stepping up in equal increments in each of said four years until the urban rate is fully applicable.
9. The City will not exercise its authority under Minnesota Statute Chapters 429 to assess parcels annexed pursuant to the Master Plan or parcels abutting the Master Plan for road improvements, storm water and sanitary sewers, or municipal water service, subject to the following:
  - a. Improved or unimproved property less than ten (10) acres which is annexed pursuant to the Master Plan and later is the subject of an application for land division, minor subdivision or subdivision shall be required to provide roads, storm water or sanitary sewer, or water service pursuant to the City's policies and ordinances, either through a development agreement which provides for payment of costs of such improvements, or by assessments against benefited property pursuant to the City's assessment policy.
  - b. Improved or unimproved property greater than ten (10) acres in the Master Plan Area shall be subject to the City's assessment policy when road, storm water or sanitary sewer or water service is extended to such property pursuant to the City's policies and ordinances, and when the property is the subject of an application for land division, minor subdivision or subdivision and such improvements are not financed through a development agreement.
  - c. The restrictions of this paragraph shall not apply to an assessment agreement entered into between the City and any property owner owning property subject to this Agreement.
10. The City's current rural tax rate will be applied to all annexed properties existing on the effective date of this amendment to the Agreement. Properties shall switch to the City's urban tax rate on the following conditions:
  - a. Upon approval of any final plat pursuant to development in the Master Plan Area, such properties shall immediately switch to the urban tax rate.
  - b. For properties not finally platted pursuant to development in the Master Plan Area, but which connect to both sanitary sewer and municipal water service, such properties shall transition to the City's urban tax rate over a four year step-up period, with the rate stepping up in equal increments in each of said four years.

- c. The tax rates for existing residential properties on Krey and Maple Avenues shall be governed by the terms of paragraph 8 of this Agreement.
11. Subject to the requirements of paragraph 10 of this Agreement, existing residential parcels in the Master Plan Area on the date of approval of this Amendment shall not be required to connect to City sewer or water upon annexation until the property is sold, the City approves land division, minor subdivision or subdivision, or until requested by the property owner. Upon connection, the property is subject to the City's utility connection policies and fees.
  12. Property in the Master Plan Area with existing and operating wells on the date of annexation may maintain such wells, and may use such well and related plumbing system for irrigation purposes only, after a hook-up to the City of Victoria water system, but may not otherwise improve such wells, or connect such well-based plumbing system to the Victoria water system.
  13. If the property annexed by the City pursuant to this Amendment to the Agreement is presently paying special assessments levied by the Township, the City shall collect such money and return such money to the Township within 30 days of receipt by the City.
  14. For all existing improved or unimproved properties annexed under this Agreement, the City shall share tax revenues with the Township according to the following formula: In the first year following the year the City could first levy on the annexed area, the City shall make a cash payment to the Township in an amount equal to 90 percent of the property taxes distributed to the Township in regard to the annexed area in the last year the property taxes from the annexed area were payable solely to the Township; in the second year, an amount equal to 70 percent; in the third year, an amount equal to 50 percent; in the fourth year, an amount equal to 30 percent; and in the fifth year, an amount equal to ten percent.
  15. Upon approval of this Amendment to the Agreement, the Township agrees that the City may become the planning authority for the Master Plan Area described in paragraph 1 of this Amendment pursuant to Minn. Stat. § 414.0325 subd. 5(e)(1). If requested by the City, the Township shall support the City's request to the Carver County Board of Commissioners that land in the Master Plan Area be excluded from Carver County's zoning and subdivision ordinances and that the City become the planning authority for the Master Plan Area.
  16. Upon approval of this Amendment to the Agreement, the Township agrees that the City may extend enforcement of the uniform building code and the City's building code to the Master Plan Area pursuant to Minn. Stat. § 16B.62, Subd. 1.
  17. MBA may issue an order consistent with this Joint Resolution. Subsequent annexation actions by Victoria in the Master Plan Area shall be evidenced by resolution of the City with an accompanying boundary map, and certification by the City that annexation is made pursuant to the Master Plan. MBA shall then amend the corporate boundary for Victoria

MAR 12 2004

consistent with such resolution and accompanying boundary maps for each phase of annexation described in the City's resolution and map. MBA may review and comment, but shall, within 30 days of the date that MBA receives the City's separate designating resolution, order annexation in accordance with the terms of this Joint Resolution and Resolution Number 76-47, and the separate designating resolution. No alteration of the stated boundaries of the Master Plan Area or a designated area within the Master Plan Area is appropriate.

18. In the event the City relocates Krey Avenue or a similar collector road immediately to the east of Maple Avenue, the City shall use best efforts to maintain a 200 foot buffer between the relocated collector road and the existing residences on Maple Avenue.

This Joint Resolution shall be effective solely upon approval by both the Laketown Township Board and the Victoria City Council.

-Extract of Minutes -

Laketown Annexation Resolution:

The City Administrator reviewed a stipulation by Joint Resolution as to Orderly Annexation with the City Council. He indicated to the Council that the provisions governing those sections of the agreement that relate to the City of Waconia were identical to a document submitted by the City to the Laketown Town Board, with 2 exceptions:

The Addition of Paragraph #33 - This paragraph deals with the period of Step-up in taxes on annexed property. A 3 year Step-up was included. The Council had no objection to this addition.

The Addition of Paragraph #34 - This paragraph deals with an Urban and Rural Service Taxing District Ordinance previously adopted and published by the City. No objection to this addition was voiced.

Councilmember Terese Miller moved that the City of Waconia adopt the Stipulation by Joint Resolution of the City of Waconia, Chaska and Victoria and the Township of Laketown, Designating the Entire Township of Laketown as in Need of Orderly Annexation Pursuant to M.S.414. Councilmember Dale Rock seconded the motion. Aye: Rock, Messina, Miller, Otto and Rief.

Nay: None.

Motion carried.

IN THE MATTER OF THE JOINT RESOLUTION  
OF THE CITIES OF WACONIA, CHASKA, AND  
VICTORIA AND THE TOWNSHIP OF LAKETOWN  
DESIGNATING THE ENTIRE TOWNSHIP OF  
LAKETOWN AS IN NEED OF ORDERLY ANNEXATION  
PURSUANT TO M.S. 414

STIPULATION BY JOINT  
RESOLUTION AS TO  
ORDERLY ANNEXATION

WHEREAS, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed by prior Joint Resolution adopted by the respective municipalities and the Township in March of 1972 that the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes 414.032 and have by said Joint Resolution designated the entire Township of Laketown as in need of orderly annexation as provided by said statute; and

WHEREAS, the Municipal Board of the State of Minnesota, formerly the Municipal Commission of the State of Minnesota, accepted said Joint Resolution in its proceeding designated as Docket No. A-2205(OA) and did on June 13, 1972 declare and designate the entire Township of Laketown, Carver County, Minnesota to be in need of orderly annexation pursuant to the provisions of Minnesota Statutes, Chapter 414; and

WHEREAS, the time provided for the establishment of boundaries as set forth in said Joint Resolution of the Municipalities of Chaska, Victoria and Waconia, and the Township of Laketown and in said order of the Municipal Board has elapsed without boundaries being established; and

WHEREAS, the Municipal Board has resumed hearings in said proceeding designated as Docket No. A-2205(OA) in order that there may be a final determination as to the boundaries of which portions of the Township of Laketown shall be designated by the Municipal Board for orderly annexation to each of the Cities of Chaska, Victoria, and Waconia and in order that said Joint Resolution of the affected municipalities and said Order of the Municipal Board may be implemented; and

WHEREAS, the parties desire to avoid further protracted litigation and to begin implementation of such orderly annexation Order of the Municipal Board in a manner which would appear to be consistent with good planning and order development and in the best interests of the affected territory and the parties to this proceeding.

NOW, THEREFORE, BE IT RESOLVED by the Town of Laketown, the City of Victoria, the City of Chaska, and the City of Waconia as follows:

1. That each of the parties hereto agree that any annexations to a particular city now or in the future shall occur only within the boundaries of the orderly annexation area specified for such city under the further provisions of this agreement.

2. That within the boundaries of each orderly annexation area hereinafter specified for each city, annexations shall be governed by the provisions as hereinafter set forth for the particular area. Except with respect to boundaries, any changes, modifications, or amendments of the provisions governing annexations in a particular area shall be by agreement between the Town of Laketown and the City designated for the particular area, and shall not require the agreement or approval of other parties hereto.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF VICTORIA

3. That any annexations now or in the future in the following described areas would be most properly made to the City of Victoria and the parties hereto designate said areas for orderly annexation to said City of Victoria:

All that property located in Sections 1, 2, 3, 4, 5, 8, except the southwest quarter, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23, 26, 27, 28, 33, 34, 35, and in the northeast quarter of Section 17, the westerly half of Section 24, the westerly half of Section 25, and the westerly half of Section 36, containing approximately 16,120 acres.

4. That the following described area abutting upon the City of Victoria are urban or suburban in character, or are about to become so and the City of Victoria is capable of providing services to said area within a reasonable time; therefore, said areas should be immediately annexed to the City of Victoria: ✓

That part of Sections 11, 12, 13, and 14 not presently located within the Victoria limits, except that part of said Section 12 lying easterly of Schutz Lake.

5. That the following described areas abutting on the City of Victoria are suburban, or will become so within the next five years, and the City of Victoria will be capable of providing services to said areas within a reasonable time; therefore, said area should be annexed to the City of Victoria effective December 1, 1981: ✓

All that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not then included within the Hennepin County Park Reserve District.

6. That the areas designated for orderly annexation to the City of Victoria in paragraph 3 hereof, except those areas specifically enumerated and provided for in paragraphs 4 and 5, are not urban or suburban in character and are not about to become so; therefore, said areas shall not be subject to annexation to the City of Victoria for a period of at least five years from and after the effective date of this resolution. In the event owners of parcels of land located in areas other than areas specified in paragraphs 4 and 5 desire to be annexed during said five year period, it is agreed that the City of Victoria will not by resolution or otherwise consent to any such annexation unless there is a petition of 80% of the owners of the property proposed to be annexed and the Town of Laketown consents thereto.

7. That in an effort to forestall an overlap or duplication in the provision of governmental services and facilities, and to reduce, if possible, the costs of government in the orderly annexation area, the City of Victoria and the Town of Laketown agree to investigate possibilities for the sharing of facilities, equipment and personnel, insofar as the same apply to the orderly annexation area.

8. That City of Victoria and Town of Laketown representatives will meet at least semi-annually to discuss problems and means of cooperation for the provision of governmental services within the orderly annexation area.

9. That beginning after the effective date of this agreement the City of Victoria shall undertake and be responsible for the performance of general road maintenance and snow removal on the following streets: on Iris between State Trunk Highway 7 and the City boundary and on Iris Circle. Such maintenance will be performed only at the direction of the Town Board and the cost thereof shall be paid by the Town, but without allowance for any administrative costs or profit to the City of Victoria.

10. That if the Town and the City of Victoria believe that mutual benefit may be derived from the performance of general road maintenance and snow removal by the City of Victoria upon other Town roads located in Sections 1 and 2, then discussions will be held for the purpose of negotiating a contract for the performance thereof. In any event the Town shall seal coat the blacktopping on such roads at least once during the five year interim period.

11. That if a party shall find it necessary to employ extra personnel in order to perform maintenance or administrative tasks, prior to contracting with an outside agency, such party shall first contact the other in an effort to have said services performed by the other party. If services are then performed, the party receiving such services shall pay the actual cost thereof but without allowance for any administrative costs or profit to the party supplying the services.

12. That if the Town shall find it necessary to contract for clerical services for the issuance and collection of sewer bills, it shall contract with the City of Victoria for such services; provided, that the City shall not charge therefor a sum greater than the Town would be required to pay an outside agency for such services.

13. That the transfer of the presently existing Laketown sanitary sewer system to the City of Victoria as of December 1, 1981 will necessitate mutual effort to effect an orderly transition in the provision of care and maintenance of the system; therefore, beginning in August, 1978, the Town Board of Supervisors, or its representative, will interview the City of Victoria sewer maintenance man and examine his qualifications to perform maintenance work on the sanitary sewer system. If the Board finds him qualified, the Town will contract with the City of Victoria for the performance of such maintenance work during the remainder of the five year interim period. If the Board does not find said individual qualified, then it shall re-interview and examine his qualifications on an annual basis thereafter until such time as it finds said individual qualified or until the expiration of the five year period. It is agreed that any contract for the performance of such sewer maintenance will provide for payment by the Town of the actual cost of such maintenance, but without any allowance for administrative costs or profit to the City of Victoria.

14. That planning, zoning and subdivision in the orderly annexation area shall be governed by the following provisions:

- A. For all that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not included within the Hennepin County Park Reserve District:
  - 1. The Town will adopt an ordinance creating a Lake Minnetonka Zoning District for the area north of T.H. 7 and the regulations therein shall be adopted by the City of Victoria such that continuity will be preserved when annexation occurs.
  - 2. City of Victoria zoning and subdivision regulations may be extended to such areas.
  - 3. The City of Victoria Planning Commission and Laketown Town Board will hold joint public hearings on zoning and subdivision matters.
  - 4. Approval of any zoning or subdivision matters shall require a majority vote of the Town Board and a 4/5 vote of the City Council.
- B. In the balance of the area designated for orderly annexation:
  - 1. Carver County zoning and subdivision ordinances will apply.
  - 2. All hearings on requests for subdivision rezoning, conditional uses and variances will be held jointly by the City, Town and County.
  - 3. The County will retain jurisdiction until the time of annexation.

- C. Sections 1, 2 and that part of Section 12 lying easterly of Schutz Lake will be included in the City of Victoria Comprehensive Plan.
- D. The Town and the City will cooperate in a joint transportation plan for the area in the City and Town which borders State Trunk Highway 7.

15. That any property annexed to the City of Victoria pursuant to this agreement shall receive a graduated increase in mill rates from the Town rate to the City of Victoria rate in substantially equal portions such that in the fourth year following annexation the annexed property shall pay the same mill rate as is applied in the City for the particular type of property.

A. In the first levy year immediately after annexation the annexed property urban mill rate shall be equal to the rate established and applied by the Town generally in such first levy year. In the event that the dates of annexation are such that the County Auditor cannot include annexed areas with the City of Victoria levy spread for such first levy year, the Town shall collect the taxes levied against the annexed property areas and remit amounts so collected to the City of Victoria.

B. In the second year following annexation the annexed property urban mill rate shall be equal to the annexed property rate applied in the first year following annexation plus one-third of the differential between:

the City of Victoria urban rate in  
the first year following annexation

and

the annexed property urban rate applied  
in the first year following annexation.

C. In the third year following annexation the annexed property urban mill rate shall be equal to the annexed property urban rate applied in the second year following annexation plus two-thirds of the differential between:

the City of Victoria urban rate in the  
second year following annexation

and

the annexed property urban rate  
applied in the second year following  
annexation.

- D. In the fourth year the annexed property rate and the City of Victoria urban rate shall be equal.
- E. Any properties which, at the date of annexation, meet the criteria of Minnesota Statutes 272.67, for inclusion within the City's "rural service district" shall be included within such district. The City of Victoria shall adopt a "rural service district" taxation ordinance pursuant to said statute which shall be applied to such properties. For any such properties annexed between the date of this stipulation and December, 1981, there shall be no graduated increase from the Town rate to the City of Victoria rate, and such properties shall be subject to the City "rural service district" rate in the first levy year following annexation. For any such properties annexed after December 1, 1981, the computation of the mill rate shall be made under the formula specified in subparagraphs A, B, C, and D hereof, except that as applied to such properties the term "City of Victoria rural service district rate" shall be substituted in such formula for the term "City of Victoria urban rate".

16. That in the event lands which have been specially assessed by the Town of Laketown are annexed to the City of Victoria, the City shall remit any assessments collected from the owners of said lands to the Town within ten days after the receipt thereof so as to enable the Town to meet obligations upon its improvement bonds. At such time as the City assumes the obligation of payment on said improvement bonds the City shall no longer be required to remit assessments collected to the Town.

17. That it is understood and acknowledged by the Town and the City of Victoria that state and federal financial aids which are allocated to the Town on the basis of population may be effected or altered by annexations occurring hereunder. In the event that the Town shall receive any such aids without the allocating agency having considered or made an adjustment for an annexation which has occurred, the Town shall remit to the City such percentage of any such aids so allocated which is attributable to the population of the territory annexed. The sums to be remitted shall be determined in accordance with the following:

- A. For annexations occurring immediately upon the adoption of this stipulation, the Town and City agree that 1970 census population figures shall be used, that the population of the Town in 1970 was 1750, and that for purposes of this stipulation the population of the area to be immediately annexed was 192.

1. Because State Local Government Aids and Federal Revenue Sharing cannot be redistributed by the allocating agencies in 1977 to reflect the impact of such immediate annexations, the Town shall remit to the City a sum equal to

the amount of such aids received subsequent to said annexations but prior to adjustment by the allocating agencies times 1950 divided by 192.

2. Said method to be utilized until the State and Federal allocating agencies adjust their records and payments to reflect such annexation.

B. For any annexations occurring in the future the Town and City shall mutually agree on a population figure based on the best available data.

C. Any disagreements concerning the sums to be remitted shall be referred to the Municipal Board for resolution.

18. That both parties agree to work jointly to secure any federal grants-in-aid which might be available, and to their mutual benefit.

19. That the parties hereby agree to review the area described as in need of orderly annexation every five years from the execution of this resolution.

20. That anything above to the contrary notwithstanding, the City of Victoria shall be required at any time to annex all of the lands described in paragraph 3 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

21. That the parties hereby agree that the Town of Laketown will dismiss its appeal of the decision of the Minnesota Municipal Board with the respect to the so-called "Batzli property", Carver County Court File No. 14769.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF CHASKA

22. That the following described area in Laketown Township is subject to orderly annexation pursuant to Minnesota Statutes 414.032 and the parties hereto designate this area for orderly annexation to the City of Chaska:

East one half of Section 24, Township 116, Range 24 --  
East one half of Section 25, Township 116, Range 24 --  
East one half of Section 36, Township 116, Range 24.

23. That the Town of Laketown does, upon adoption of this stipulation and its adoption by the City Council of the City of Chaska, Minnesota, confer jurisdiction upon the Minnesota Municipal Board to assist the signatories in the execution of this agreement.

24. That no annexation in the orderly annexation area described in Paragraph 22, shall take place (unless agreed to in writing by the City of Chaska and Laketown Township) within five (5) years from the effective date of this joint resolution, except that the hereinafter described area shall be annexed to the City of Chaska upon the City of Chaska ordering the installation and construction of a sanitary sewer project which benefits

all of said area or at least that portion thereof known as the Oakwood Terrace and Shady Point area; and, upon the ordering of such sanitary sewer improvement, the City of Chaska shall submit to the Municipal Board its petition to annex said hereinafter described area to which petition Laketown Township agrees it will not object. Said area being described as follows, to-wit:

That portion of Sections 24 and 25, Township 116, Range 24 lying southerly of Lake Bavaria and easterly and northerly of County Road No. 11.

25. That anything above to the contrary notwithstanding, the City of Chaska shall be required at any time to annex all of the lands described in paragraph 22 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

26. That the mill levy of the City of Chaska on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal proportions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Chaska generally; and, that any alteration of mill levies on any other annexed portions shall be as determined by agreement of the parties at that time and if there is a failure to reach such agreement, the question shall be resolved by the Minnesota Municipal Board.

27. Notwithstanding any further provisions of this agreement any lands annexed to the City of Chaska which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Chaska's Rural and Urban Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

28. That both parties to this resolution agree to dismiss the pending action before the Minnesota Municipal Board, same being File Docket A-2205(OA) Laketown.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF WACONIA

29. That those portions of the Town of Laketown, Carver County, Minnesota, described as:

All of Sections 6, 7, 18, 19, 20, 29, 30, 31, and 32, and the Southwest Quarter of Section 8, and the Northwest Quarter and the South Half of Section 17, all being in Township 116, North, Range 24 West.

shall be designated for orderly annexation to the City of Waconia as provided by Minnesota Statutes 414, said boundary to be established forthwith by Order of the Municipal Board, ~~subject only to future revision thereof by subsequent Order of the Municipal Board in the event that future development in the present Town~~

~~of Laketown would indicate an adjustment of such boundary would be in the best interests of the portion of Laketown Township affected.~~

30. That for a period of five (5) years after execution of this Stipulation by the parties hereto the City of Waconia will not initiate nor be a party to any action through the Municipal Board for final annexation to Waconia of any portions of Laketown Township designated above for orderly annexation to the City of Waconia except that any part of those portions of Laketown Township described as:

The South Half of Section 7; the Southwest Quarter of Section 8; the West Half of Section 17; all of Sections 18 and 19; and the West Half of Section 20.

may be annexed to the City of Waconia during said five year period from and after January 1, 1978 if such annexation is the result of any of the following:

- A. A petition for annexation signed by 100% of the owners of the property proposed to be annexed.
- B. The City of Waconia determines that portions thereof are in need of sewer service, but then only if the Municipal Board concurs in such determination, and the City of Waconia has approved a preliminary report as to such service and commits itself to order such improvement and to advertise for bids for the provision of such sewer service pursuant to Minnesota Statutes Chapter 429 immediately upon the completion of such annexation.
- C. Joint resolution of the Town of Laketown and the City of Waconia.

31. That anything in paragraph 28 above to the contrary notwithstanding, the City of Waconia shall be required at any time to annex all of the lands described in paragraph 27 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

32. That the Town of Laketown will not change the zoning of any lands described in paragraph 27 above, nor permit the establishment of any nonconforming use, nor subject same to any further special assessments or indebtedness, without having first obtained the approval thereof by the City of Waconia, or, in the alternative, the approval of the Municipal Board after reasonable notice to the City of Waconia.

33. That the mill levy of the City of Waconia on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal portions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Waconia generally.

34. Notwithstanding any further provisions of this agreement any lands annexed to the City of Waconia which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Waconia's Rural and Urban

Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

-----

35. That this Stipulation and Agreement shall be in full force and effect only in the event that the provisions hereof are incorporated in an Order of the Municipal Board of the State of Minnesota.

RESOLUTION NO. \_\_\_\_\_

WHEREAS, the Cities of Chaska, Victoria and Waconia, and the Township of Laketown agreed by Joint Resolution, adopted by the respective Cities and the Township in March of 1972, that the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes 414.032 and did by Joint Resolution designate the entire Township of Laketown as an area in need of orderly annexation as provided by statute, and

WHEREAS, the time for the establishment of boundaries of orderly annexation areas as set forth in said resolution has elapsed without boundaries being established, and

WHEREAS, the Municipal Board has resumed hearings in proceedings for the orderly annexation of the Township of Laketown for the purpose of making a final determination as to the boundaries of portions of the Township which would be designated for orderly annexation to each of the Cities of Chaska, Victoria and Waconia, and for the purpose of determining whether any immediate annexations ought to occur in said area, and

WHEREAS, the Cities of Chaska, Victoria and Waconia and the Township of Laketown have met, discussed and reached tentative agreement on a new Stipulation by Joint Resolution as to Orderly Annexation establishing boundaries of the orderly annexation areas and provisions governing annexations in the areas affected, and

WHEREAS, the Town Board believes it is in the best interests of the Town to conclude the orderly annexation proceedings through the mutual agreement so as to avoid protracted litigation, to secure the maximum benefit to the territory affected, and to ensure good planning, orderly development, and efficient government for the people of Laketown Township.

NOW THEREFORE, BE IT RESOLVED by the Town Board of the Township of Laketown:

1. That the proposed joint resolution annexed hereto be and hereby is adopted by the Township of Laketown, and the Board Chairman and the Clerk are authorized to execute

said joint resolution on behalf of the Township of  
Laketown.

2. That the joint resolution be in full force and effect  
only in the event that the provisions thereof are mutually  
adopted by the Cities of Chaska, Victoria and Waconia,  
and are incorporated in an Order of the Municipal Board of  
the State of Minnesota.

ADOPTED by the Town Board this 20<sup>TH</sup> day of December, 1976.

IN THE MATTER OF THE JOINT RESOLUTION  
OF THE CITIES OF WACONIA, CHASKA, AND

DESIGNATING THE ENTIRE TOWNSHIP OF  
LAKETOWN AS IN NEED OF ORDERLY ANNEXATION  
PURSUANT TO M.S. 414

}  
}  
} STIPULATION BY JOINT  
RESOLUTION AS TO  
ORDERLY ANNEXATION

WHEREAS, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed by prior Joint Resolution adopted by the respective municipalities and the Township in March of 1972 that the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes 414.032 and have by said Joint Resolution designated the entire Township of Laketown as in need of orderly annexation as provided by said statute; and

WHEREAS, the Municipal Board of the State of Minnesota, formerly the Municipal Commission of the State of Minnesota, accepted said Joint Resolution in its proceeding designated as Docket No. A-2205(OA) and did on June 13, 1972 declare and designate the entire Township of Laketown, Carver County, Minnesota to be in need of orderly annexation pursuant to the provisions of Minnesota Statutes, Chapter 414; and

WHEREAS, the time provided for the establishment of boundaries as set forth in said Joint Resolution of the Municipalities of Chaska, Victoria and Waconia, and the Township of Laketown and in said order of the Municipal Board has elapsed without boundaries being established; and

WHEREAS, the Municipal Board has resumed hearings in said proceeding designated as Docket No. A-2205(OA) in order that there may be a final determination as to the boundaries of which portions of the Township of Laketown shall be designated by the Municipal Board for orderly annexation to each of the Cities of Chaska, Victoria, and Waconia and in order that said Joint Resolution of the affected municipalities and said Order of the Municipal Board may be implemented; and

WHEREAS, the parties desire to avoid further protracted litigation and to begin implementation of such orderly annexation Order of the Municipal Board in a manner which would appear to be consistent with good planning and order development and in the best interests of the affected territory and the parties to this proceeding.

NOW, THEREFORE, BE IT RESOLVED by the Town of Laketown, the City of Victoria, the City of Chaska, and the City of Waconia as follows:

1. That each of the parties hereto agree that any annexations to a particular city now or in the future shall occur only within the boundaries of the orderly annexation area specified for such city under the further provisions of this agreement.

2. That within the boundaries of each orderly annexation area hereinafter specified for each city, annexations shall be governed by the provisions as hereinafter set forth for the particular area. Except with respect to boundaries, any changes, modifications, or amendments of the provisions governing annexations in a particular area shall be by agreement between the Town of Laketown and the City designated for the particular area, and shall not require the agreement or approval of other parties hereto.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF VICTORIA

3. That any annexations now or in the future in the following described areas would be most properly made to the City of Victoria and the parties hereto <sup>shall</sup> designate said areas for orderly annexation to said City of Victoria:

All that property located in Sections 1, 2, 3, 4, 5, 8, except the southwest quarter, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23, 26, 27, 28, 33, 34, 35, and in the northeast quarter of Section 17, the westerly half of Section 24, the westerly half of Section 25, and the westerly half of Section 36, containing approximately 16,120 acres.

4. That the following described area abutting upon the City of Victoria are urban or suburban in character, or are about to become so and the City of Victoria is capable of providing services to said area within a reasonable time; therefore, said areas should be immediately annexed to the City of Victoria:

That part of Sections 11, 12, 13, and 14 not presently located within the Victoria limits, except that part of said Section 12 lying easterly of Schutz Lake.

⑤ That the following described areas abutting on the City of Victoria are suburban, or will become so within the next five years, and the City of Victoria will be capable of providing services to said areas within a reasonable time; therefore, said area should be annexed to the City of Victoria effective December 1, 1981:

<sup>N</sup>  
<sup>Ben</sup> All that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not then included within the Hennepin County Park Reserve District.

6. That the areas designated for orderly annexation to the City of Victoria in paragraph 3 hereof, except those areas specifically enumerated and provided for in paragraphs 4 and 5, are not urban or suburban in character and are not about to become so; therefore, said areas shall not be subject to annexation to the City of Victoria for a period of at least five years from and after the effective date of this resolution. In the event owners of parcels of land located in areas other than areas specified in paragraphs 4 and 5 desire to be annexed during said five year period, it is agreed that the City of Victoria will not by resolution or otherwise consent to any such annexation unless there is a petition of 80% of the owners of the property proposed to be annexed and the Town of Laketown consents thereto.

7. That in an effort to forestall an overlap or duplication in the provision of governmental services and facilities, and to reduce, if possible, the costs of government in the orderly annexation area, the City of Victoria and the Town of Laketown agree to investigate possibilities for the sharing of facilities, equipment and personnel, insofar as the same apply to the orderly annexation area.

8. That City of Victoria and Town of Laketown representatives will meet at least semi-annually to discuss problems and means of cooperation for the provision of governmental services within the orderly annexation area.

9. That beginning after the effective date of this agreement the City of Victoria shall undertake and be responsible for the performance of general road maintenance and snow removal on the following streets: on Iris between State Trunk Highway 7 and the City boundary and on Iris Circle. Such maintenance will be performed only at the direction of the Town Board and the cost thereof shall be paid by the Town, but without allowance for any administrative costs or profit to the City of Victoria.

10. That if the Town and the City of Victoria believe that mutual benefit may be derived from the performance of general road maintenance and snow removal by the City of Victoria upon other Town roads located in Sections 1 and 2, then discussions will be held for the purpose of negotiating a contract for the performance thereof. In any event the Town shall seal coat the blacktopping on such roads at least once during the five year interim period.

11. That if a party shall find it necessary to employ extra personnel in order to perform maintenance or administrative tasks, prior to contracting with an outside agency, such party shall first contact the other in an effort to have said services performed by the other party. If services are then performed, the party receiving such services shall pay the actual cost thereof but without allowance for any administrative costs or profit to the party supplying the services.

12. That if the Town shall find it necessary to contract for clerical services for the issuance and collection of sewer bills, it shall contract with the City of Victoria for such services; provided, that the City shall not charge therefor a sum greater than the Town would be required to pay an outside agency for such services.

13. That the transfer of the presently existing Laketown sanitary sewer system to the City of Victoria as of December 1, 1981 will necessitate mutual effort to effect an orderly transition in the provision of care and maintenance of the system; therefore, beginning in August, 1978, the Town Board of Supervisors, or its representative, will interview the City of Victoria sewer maintenance man and examine his qualifications to perform maintenance work on the sanitary sewer system. If the Board finds him qualified, the Town will contract with the City of Victoria for the performance of such maintenance work during the remainder of the five year interim period. If the Board does not find said individual qualified, then it shall re-interview and examine his qualifications on an annual basis thereafter until such time as it finds said individual qualified or until the expiration of the five year period. It is agreed that any contract for the performance of such sewer maintenance will provide for payment by the Town of the actual cost of such maintenance, but without any allowance for administrative costs or profit to the City of Victoria.

14. That planning, zoning and subdivision in the orderly annexation area shall be governed by the following provisions:

- A. For all that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not included within the Hennepin County Park Reserve District:
  - 1. The Town will adopt an ordinance creating a Lake Minnetonka Zoning District for the area north of T.H. 7 and the regulations therein shall be adopted by the City of Victoria such that continuity will be preserved when annexation occurs.
  - 2. City of Victoria zoning and subdivision regulations may be extended to such areas.
  - 3. The City of Victoria Planning Commission and Laketown Town Board will hold joint public hearings on zoning and subdivision matters.
  - 4. Approval of any zoning or subdivision matters shall require a majority vote of the Town Board and a 4/5 vote of the City Council.
- B. In the balance of the area designated for orderly annexation:
  - 1. Carver County zoning and subdivision ordinances will apply.
  - 2. All hearings on requests for subdivision rezoning, conditional uses and variances will be held jointly by the City, Town and County.
  - 3. The County will retain jurisdiction until the time of annexation.

- C. Sections 1, 2 and that part of Section 12 lying easterly of Schutz Lake will be included in the City of Victoria Comprehensive Plan.
- D. The Town and the City will cooperate in a joint transportation plan for the area in the City and Town which borders State Trunk Highway 7.

15. That any property annexed to the City of Victoria pursuant to this agreement shall receive a graduated increase in mill rates from the Town rate to the City of Victoria rate in substantially equal portions such that in the fourth year following annexation the annexed property shall pay the same mill rate as is applied in the City for the particular type of property.

- A. In the first levy year immediately after annexation the annexed property urban mill rate shall be equal to the rate established and applied by the Town generally in such first levy year. In the event that the dates of annexation are such that the County Auditor cannot include annexed areas with the City of Victoria levy spread for such first levy year, the Town shall collect the taxes levied against the annexed property areas and remit amounts so collected to the City of Victoria.

- B. In the second year following annexation the annexed property urban mill rate shall be equal to the annexed property rate applied in the first year following annexation plus one-third of the differential between:

the City of Victoria urban rate in  
the first year following annexation

and

the annexed property urban rate applied  
in the first year following annexation.

- C. In the third year following annexation the annexed property urban mill rate shall be equal to the annexed property urban rate applied in the second year following annexation plus two-thirds of the differential between:

the City of Victoria urban rate in the  
second year following annexation

and

the annexed property urban rate  
applied in the second year following  
annexation.

- D. In the fourth year the annexed property rate and the City of Victoria urban rate shall be equal.
- E. Any properties which, at the date of annexation, meet the criteria of Minnesota Statutes 272.67, for inclusion within the City's "rural service district" shall be included within such district. The City of Victoria shall adopt a "rural service district" taxation ordinance pursuant to said statute which shall be applied to such properties. For any such properties annexed between the date of this stipulation and December, 1981, there shall be no graduated increase from the Town rate to the City of Victoria rate, and such properties shall be subject to the City "rural service district" rate in the first levy year following annexation. For any such properties annexed after December 1, 1981, the computation of the mill rate shall be made under the formula specified in subparagraphs A, B, C, and D hereof, except that as applied to such properties the term "City of Victoria rural service district rate" shall be substituted in such formula for the term "City of Victoria urban rate".

16. That in the event lands which have been specially assessed by the Town of Laketown are annexed to the City of Victoria, the City shall remit any assessments collected from the owners of said lands to the Town within ten days after the receipt thereof so as to enable the Town to meet obligations upon its improvement bonds. At such time as the City assumes the obligation of payment on said improvement bonds the City shall no longer be required to remit assessments collected to the Town.

17. That it is understood and acknowledged by the Town and the City of Victoria that state and federal financial aids which are allocated to the Town on the basis of population may be effected or altered by annexations occurring hereunder. In the event that the Town shall receive any such aids without the allocating agency having considered or made an adjustment for an annexation which has occurred, the Town shall remit to the City such percentage of any such aids so allocated which is attributable to the population of the territory annexed. The sums to be remitted shall be determined in accordance with the following:

- A. For annexations occurring immediately upon the adoption of this stipulation, the Town and City agree that 1970 census population figures shall be used, that the population of the Town in 1970 was 1750, and that for purposes of this stipulation the population of the area to be immediately annexed was 192.
  - 1. Because State Local Government Aids and Federal Revenue Sharing cannot be redistributed by the allocating agencies in 1977 to reflect the impact of such immediate annexations, the Town shall remit to the City a sum equal to

the amount of such aids received subsequent to said annexations but prior to adjustment by the allocating agencies times 1950 divided by 192.

2. Said method to be utilized until the State and Federal allocating agencies adjust their records and payments to reflect such annexation.

B. For any annexations occurring in the future the Town and City shall mutually agree on a population figure based on the best available data.

C. Any disagreements concerning the sums to be remitted shall be referred to the Municipal Board for resolution.

18. That both parties agree to work jointly to secure any federal grants-in-aid which might be available, and to their mutual benefit.

19. That the parties hereby agree to review the area described as in need of orderly annexation every five years from the execution of this resolution.

20. That anything above to the contrary notwithstanding, the City of Victoria shall be required at any time to annex all of the lands described in paragraph 3 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

21. That the parties hereby agree that the Town of Laketown will dismiss its appeal of the decision of the Minnesota Municipal Board with the respect to the so-called "Batzli property", Carver County Court File No. 14769.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF CHASKA

22. That the following described area in Laketown Township is subject to orderly annexation pursuant to Minnesota Statutes 414.032 and the parties hereto designate this area for orderly annexation to the City of Chaska:

East one half of Section 24, Township 116, Range 24  
East one half of Section 25, Township 116, Range 24  
East one half of Section 36, Township 116, Range 24.

23. That the Town of Laketown does, upon adoption of this stipulation and its adoption by the City Council of the City of Chaska, Minnesota, confer jurisdiction upon the Minnesota Municipal Board to assist the signatories in the execution of this agreement.

24. That no annexation in the orderly annexation area described in Paragraph 21, shall take place (unless agreed to in writing by the City of Chaska and Laketown Township) within five (5) years from the effective date of this joint resolution, except that the hereinafter described area shall be annexed to the City of Chaska upon the City of Chaska ordering the installation and construction of a sanitary sewer project which benefits

all of said area or at least that portion thereof known as the Oakwood Terrace and Shady Point area; and, upon the ordering of such sanitary sewer improvement, the City of Chaska shall submit to the Municipal Board its petition to annex said hereinafter described area to which petition Laketown Township agrees it will not object. Said area being described as follows, to-wit:

That portion of Sections 24 and 25, Township 116, Range 24 lying southerly of Lake Bavaria and easterly and northerly of County Road No. 11.

25. That anything above to the contrary notwithstanding, the City of Chaska shall be required at any time to annex all of the lands described in paragraph 22 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

26. That the mill levy of the City of Chaska on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal proportions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Chaska generally; and, that any alteration of mill levies on any other annexed portions shall be as determined by agreement of the parties at that time and if there is a failure to reach such agreement, the question shall be resolved by the Minnesota Municipal Board.

27. Notwithstanding any further provisions of this agreement, any lands annexed to the City of Chaska which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Chaska's Rural and Urban Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

28. That both parties to this resolution agree to dismiss the pending action before the Minnesota Municipal Board, same being File Docket A-2205(OA) Laketown.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF WACONIA

29. That those portions of the Town of Laketown, Carver County, Minnesota, described as:

All of Sections 6, 7, 18, 19, 20, 29, 30, 31, and 32, and the Southwest Quarter of Section 8, and the Northwest Quarter and the South Half of Section 17, all being in Township 116, North, Range 24 West.

shall be designated for orderly annexation to the City of Waconia as provided by Minnesota Statutes 414, said boundary to be established forthwith by Order of the Municipal Board, ~~subject only to future revision thereof by subsequent Order of the Municipal Board in the event that future development in the present Town~~

~~of Laketown would indicate an adjustment of such boundary would be in the best interests of the portion of Laketown Township affected.~~

30. That for a period of five (5) years after execution of this Stipulation by the parties hereto the City of Waconia will not initiate nor be a party to any action through the Municipal Board for final annexation to Waconia of any portions of Laketown Township designated above for orderly annexation to the City of Waconia except that any part of those portions of Laketown Township described as:

The South Half of Section 7; the Southwest Quarter of Section 8; the West Half of Section 17; all of Sections 18 and 19; and the West Half of Section 20.

may be annexed to the City of Waconia during said five year period from and after January 1, 1978 if such annexation is the result of any of the following:

- A. A petition for annexation signed by 100% of the owners of the property proposed to be annexed.
- B. The City of Waconia determines that portions thereof are in need of sewer service, but then only if the Municipal Board concurs in such determination, and the City of Waconia has approved a preliminary report as to such service and commits itself to order such improvement and to advertise for bids for the provision of such sewer service pursuant to Minnesota Statutes Chapter 429 immediately upon the completion of such annexation.
- C. Joint resolution of the Town of Laketown and the City of Waconia.

31. That anything in paragraph 28 above to the contrary notwithstanding, the City of Waconia shall be required at any time to annex all of the lands described in paragraph 27 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

32. That the Town of Laketown will not change the zoning of any lands described in paragraph 27 above, nor permit the establishment of any nonconforming use, nor subject same to any further special assessments or indebtedness, without having first obtained the approval thereof by the City of Waconia, or, in the alternative, the approval of the Municipal Board after reasonable notice to the City of Waconia.

33. That the mill levy of the City of Waconia on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal portions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Waconia generally.

34. Notwithstanding any further provisions of this agreement any lands annexed to the City of Waconia which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Waconia's Rural and Urban

Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

35. That this Stipulation and Agreement shall be in full force and effect only in the event that the provisions hereof are incorporated in an Order of the Municipal Board of the State of Minnesota.

## VILLAGE OF VICTORIA

## REGULAR COUNCIL MEETING

DECEMBER 2, 1976

Pursuant to due call and notice thereof the December 2, 1976 Regular meeting of the Victoria Village Council was called to order by Mayor Jerome Aretz at 7:30 p.m. in the Council Chambers at 1600 Arboretum Blvd. Members present were: Jerome Aretz, Dan Vork, Dr. Richard Soderberg, Don Fuller and Ken Diethelm.

MINUTES: A motion was made by Diethelm and seconded by Fuller to correct the minutes of November 18 to read as follows: ORDERLY ANNEXATION BOUNDARY, Paragraph 4, add to the last sentence, to be in the Victoria annexation area. And after the last sentence in the ASTER TRAIL AGREEMENT, add vacating old Aster Trail. All voted aye. Minutes approved as corrected.

ASTER TRAIL AGREEMENT: Vork made a motion and Diethelm seconded authorizing the mayor to enter into the agreement with Warren McLaughlin stipulating that Mr. McLaughlin cannot plow up old Aster Trail until Nov. 1, 1977 and that he would post a \$5000 bond guaranteeing the new road for this period. All voted aye. The motion was adopted. (12276E-1)

LAKETOWN AGREEMENT: (12276E-5) A motion was made by Soderberg and seconded by Fuller to:

1. adopt Resolution No. 76-47, "Stipulation By Joint Resolution As To Orderly Annexation", deleting everything after "Board" in Article No. 29
2. correct typographical errors as follows: #22, Section 14 should read Section 24 and #24, Paragraph 21 should be paragraph 22.
3. authorize the mayor and clerk to sign the Resolution.

All voted aye. The Resolution was adopted.

DUPLICATE CHECK NO. 2391: Diethelm made a motion and Vork seconded authorizing issuance of duplicate check #2391 and authorization to dispense with bonding requirement in regard to \$120 check that was issued to the Fire Department which they did not receive. All voted aye. Motion carried.

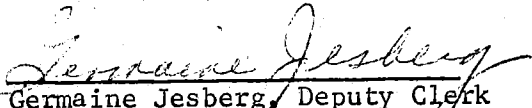

1977 LEVY RESOLUTION: (12276E-6) Diethelm made a motion to adopt resolution #76-46 approving the tax levy at 20 mills. There was no second. Vork made a motion and Diethelm seconded to set the 1977 Property Tax Levy at \$64,637. Aretz, Diethelm and Vork voted aye. Fuller and Soderberg voted no. Resolution #76-46 adopted.

RESOLUTION ESTABLISHING LAND STUDY COMMITTEE: (12276E-3) Fuller made a motion and Vork seconded to adopt Res. 76-45 for the council to appoint the following citizens to serve on the Land Study Committee: Wilbert Schmieg, Wilfred Plocher, Kenneth Diethelm, and Marvin Hartman. Also one representative of the Park and Recreation Committee to be named later. All voted aye. Resolution adopted.

METRO SYSTEMS STATEMENT: The clerk was instructed to get out a draft by the next meeting on the city's objections to the Metro Systems Statement (12276E-4).

PURCHASE OF METAL DETECTOR: Fuller made a motion and Soderberg seconded the purchase of a metal detector at a cost of \$450.00. All voted aye. Motion carried.

The meeting was adjourned at 10:10 p.m.

IN THE MATTER OF THE JOINT RESOLUTION  
OF THE CITIES OF WACONIA, CHASKA, AND  
VICTORIA AND THE TOWNSHIP OF LAKETOWN  
DESIGNATING THE ENTIRE TOWNSHIP OF  
LAKETOWN AS IN NEED OF ORDERLY ANNEXATION  
PURSUANT TO M.S. 414

RESOLUTION NO. 76-47

STIPULATION BY JOINT  
RESOLUTION AS TO  
ORDERLY ANNEXATION

WHEREAS, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed by prior Joint Resolution adopted by the respective municipalities and the Township in March of 1972 that the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes 414.032 and have by said Joint Resolution designated the entire Township of Laketown as in need of orderly annexation as provided by said statute; and

WHEREAS, the Municipal Board of the State of Minnesota, formerly the Municipal Commission of the State of Minnesota, accepted said Joint Resolution in its proceeding designated as Docket No. A-2205(OA) and did on June 13, 1972 declare and designate the entire Township of Laketown, Carver County, Minnesota to be in need of orderly annexation pursuant to the provisions of Minnesota Statutes, Chapter 414; and

WHEREAS, the time provided for the establishment of boundaries as set forth in said Joint Resolution of the Municipalities of Chaska, Victoria and Waconia, and the Township of Laketown and in said order of the Municipal Board has elapsed without boundaries being established; and

WHEREAS, the Municipal Board has resumed hearings in said proceeding designated as Docket No. A-2205(OA) in order that there may be a final determination as to the boundaries of which portions of the Township of Laketown shall be designated by the Municipal Board for orderly annexation to each of the Cities of Chaska, Victoria, and Waconia and in order that said Joint Resolution of the affected municipalities and said Order of the Municipal Board may be implemented; and

WHEREAS, the parties desire to avoid further protracted litigation and to begin implementation of such orderly annexation Order of the Municipal Board in a manner which would appear to be consistent with good planning and order development and in the best interests of the affected territory and the parties to this proceeding.

NOW, THEREFORE, BE IT RESOLVED by the Town of Laketown, the City of Victoria, the City of Chaska, and the City of Waconia as follows:

1. That each of the parties hereto agree that any annexations to a particular city now or in the future shall occur only within the boundaries of the orderly annexation area specified for such city under the further provisions of this agreement.

2. That within the boundaries of each orderly annexation area hereinafter specified for each city, annexations shall be governed by the provisions as hereinafter set forth for the particular area. Except with respect to boundaries, any changes, modifications, or amendments of the provisions governing annexations in a particular area shall be by agreement between the Town of Laketown and the City designated for the particular area, and shall not require the agreement or approval of other parties hereto.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF VICTORIA

3. That any annexations now or in the future in the following described areas would be most properly made to the City of Victoria and the parties hereto designate said areas for orderly annexation to said City of Victoria:

All that property located in Sections 1, 2, 3, 4, 5, 8, except the southwest quarter, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23, 26, 27, 28, 33, 34, 35, and in the northeast quarter of Section 17, the westerly half of Section 24, the westerly half of Section 25, and the westerly half of Section 36, containing approximately 16,120 acres.

4. That the following described area abutting upon the City of Victoria are urban or suburban in character, or are about to become so and the City of Victoria is capable of providing services to said area within a reasonable time; therefore, said areas should be immediately annexed to the City of Victoria:

That part of Sections 11, 12, 13, and 14 not presently located within the Victoria limits, except that part of said Section 12 lying easterly of Schutz Lake.

5. That the following described areas abutting on the City of Victoria are suburban, or will become so within the next five years, and the City of Victoria will be capable of providing services to said areas within a reasonable time; therefore, said area should be annexed to the City of Victoria effective December 1, 1981:

All that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not then included within the Hennepin County Park Reserve District.

6. That the areas designated for orderly annexation to the City of Victoria in paragraph 3 hereof, except those areas specifically enumerated and provided for in paragraphs 4 and 5, are not urban or suburban in character and are not about to become so; therefore, said areas shall not be subject to annexation to the City of Victoria for a period of at least five years from and after the effective date of this resolution. In the event owners of parcels of land located in areas other than areas specified in paragraphs 4 and 5 desire to be annexed during said five year period, it is agreed that the City of Victoria will not by resolution or otherwise consent to any such annexation unless there is a petition of 80% of the owners of the property proposed to be annexed and the Town of Laketown consents thereto.

7. That in an effort to forestall an overlap or duplication in the provision of governmental services and facilities, and to reduce, if possible, the costs of government in the orderly annexation area, the City of Victoria and the Town of Laketown agree to investigate possibilities for the sharing of facilities, equipment and personnel, insofar as the same apply to the orderly annexation area.

8. That City of Victoria and Town of Laketown representatives will meet at least semi-annually to discuss problems and means of cooperation for the provision of governmental services within the orderly annexation area.

9. That beginning after the effective date of this agreement the City of Victoria shall undertake and be responsible for the performance of general road maintenance and snow removal on the following streets: on Iris between State Trunk Highway 7 and the City boundary and on Iris Circle. Such maintenance will be performed only at the direction of the Town Board and the cost thereof shall be paid by the Town, but without allowance for any administrative costs or profit to the City of Victoria.

10. That if the Town and the City of Victoria believe that mutual benefit may be derived from the performance of general road maintenance and snow removal by the City of Victoria upon other Town roads located in Sections 1 and 2, then discussions will be held for the purpose of negotiating a contract for the performance thereof. In any event the Town shall seal coat the blacktopping on such roads at least once during the five year interim period.

11. That if a party shall find it necessary to employ extra personnel in order to perform maintenance or administrative tasks, prior to contracting with an outside agency, such party shall first contact the other in an effort to have said services performed by the other party. If services are then performed, the party receiving such services shall pay the actual cost thereof but without allowance for any administrative costs or profit to the party supplying the services.

12. That if the Town shall find it necessary to contract for clerical services for the issuance and collection of sewer bills, it shall contract with the City of Victoria for such services; provided, that the City shall not charge therefor a sum greater than the Town would be required to pay an outside agency for such services.

13. That the transfer of the presently existing Laketown sanitary sewer system to the City of Victoria as of December 1, 1981 will necessitate mutual effort to effect an orderly transition in the provision of care and maintenance of the system; therefore, beginning in August, 1978, the Town Board of Supervisors, or its representative, will interview the City of Victoria sewer maintenance man and examine his qualifications to perform maintenance work on the sanitary sewer system. If the Board finds him qualified, the Town will contract with the City of Victoria for the performance of such maintenance work during the remainder of the five year interim period. If the Board does not find said individual qualified, then it shall re-interview and examine his qualifications on an annual basis thereafter until such time as it finds said individual qualified or until the expiration of the five year period. It is agreed that any contract for the performance of such sewer maintenance will provide for payment by the Town of the actual cost of such maintenance, but without any allowance for administrative costs or profit to the City of Victoria.

14. That planning, zoning and subdivision in the orderly annexation area shall be governed by the following provisions:

- A. For all that property located in Sections 1 and 2, that part of Section 12 lying easterly of Schutz Lake, and any part of Section 3 not included within the Hennepin County Park Reserve District:
  - 1. The Town will adopt an ordinance creating a Lake Minnetonka Zoning District for the area north of T.H. 7 and the regulations therein shall be adopted by the City of Victoria such that continuity will be preserved when annexation occurs.
  - 2. City of Victoria zoning and subdivision regulations may be extended to such areas.
  - 3. The City of Victoria Planning Commission and Laketown Town Board will hold joint public hearings on zoning and subdivision matters.
  - 4. Approval of any zoning or subdivision matters shall require a majority vote of the Town Board and a 4/5 vote of the City Council.
- B. In the balance of the area designated for orderly annexation:
  - 1. Carver County zoning and subdivision ordinances will apply.
  - 2. All hearings on requests for subdivision rezoning, conditional uses and variances will be held jointly by the City, Town and County.
  - 3. The County will retain jurisdiction until the time of annexation.

- C. Sections 1, 2 and that part of Section 12 lying easterly of Schutz Lake will be included in the City of Victoria Comprehensive Plan.
- D. The Town and the City will cooperate in a joint transportation plan for the area in the City and Town which borders State Trunk Highway 7.

15. That any property annexed to the City of Victoria pursuant to this agreement shall receive a graduated increase in mill rates from the Town rate to the City of Victoria rate in substantially equal portions such that in the fourth year following annexation the annexed property shall pay the same mill rate as is applied in the City for the particular type of property.

A. In the first levy year immediately after annexation the annexed property urban mill rate shall be equal to the rate established and applied by the Town generally in such first levy year. In the event that the dates of annexation are such that the County Auditor cannot include annexed areas with the City of Victoria levy spread for such first levy year, the Town shall collect the taxes levied against the annexed property areas and remit amounts so collected to the City of Victoria.

B. In the second year following annexation the annexed property urban mill rate shall be equal to the annexed property rate applied in the first year following annexation plus one-third of the differential between:

the City of Victoria urban rate in  
the first year following annexation

and

the annexed property urban rate applied  
in the first year following annexation.

C. In the third year following annexation the annexed property urban mill rate shall be equal to the annexed property urban rate applied in the second year following annexation plus two-thirds of the differential between:

the City of Victoria urban rate in the  
second year following annexation

and

the annexed property urban rate  
applied in the second year following  
annexation.

- D. In the fourth year the annexed property rate and the City of Victoria urban rate shall be equal.
- E. Any properties which, at the date of annexation, meet the criteria of Minnesota Statutes 272.67, for inclusion within the City's "rural service district" shall be included within such district. The City of Victoria shall adopt a "rural service district" taxation ordinance pursuant to said statute which shall be applied to such properties. For any such properties annexed between the date of this stipulation and December, 1981, there shall be no graduated increase from the Town rate to the City of Victoria rate, and such properties shall be subject to the City "rural service district" rate in the first levy year following annexation. For any such properties annexed after December 4, 1981, the computation of the mill rate shall be made under the formula specified in subparagraphs A, B, C, and D hereof, except that as applied to such properties the term "City of Victoria rural service district rate" shall be substituted in such formula for the term "City of Victoria urban rate".

16. That in the event lands which have been specially assessed by the Town of Laketown are annexed to the City of Victoria, the City shall remit any assessments collected from the owners of said lands to the Town within ten days after the receipt thereof so as to enable the Town to meet obligations upon its improvement bonds. At such time as the City assumes the obligation of payment on said improvement bonds the City shall no longer be required to remit assessments collected to the Town.

17. That it is understood and acknowledged by the Town and the City of Victoria that state and federal financial aids which are allocated to the Town on the basis of population may be effected or altered by annexations occurring hereunder. In the event that the Town shall receive any such aids without the allocating agency having considered or made an adjustment for an annexation which has occurred, the Town shall remit to the City such percentage of any such aids so allocated which is attributable to the population of the territory annexed. The sums to be remitted shall be determined in accordance with the following:

- A. For annexations occurring immediately upon the adoption of this stipulation, the Town and City agree that 1970 census population figures shall be used, that the population of the Town in 1970 was 1750, and that for purposes of this stipulation the population of the area to be immediately annexed was 192.
  - 1. Because State Local Government Aids and Federal Revenue Sharing cannot be redistributed by the allocating agencies in 1977 to reflect the impact of such immediate annexations, the Town shall remit to the City a sum equal to

the amount of such aids received subsequent to said annexations but prior to adjustment by the allocating agencies times 1950 divided by 192.

2. Said method to be utilized until the State and Federal allocating agencies adjust their records and payments to reflect such annexation.

B. For any annexations occurring in the future the Town and City shall mutually agree on a population figure based on the best available data.

C. Any disagreements concerning the sums to be remitted shall be referred to the Municipal Board for resolution.

18. That both parties agree to work jointly to secure any federal grants-in-aid which might be available, and to their mutual benefit.

19. That the parties hereby agree to review the area described as in need of orderly annexation every five years from the execution of this resolution.

20. That anything above to the contrary notwithstanding, the City of Victoria shall be required at any time to annex all of the lands described in paragraph 3 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

21. That the parties hereby agree that the Town of Laketown will dismiss its appeal of the decision of the Minnesota Municipal Board with the respect to the so-called "Batzli property", Carver County Court File No. 14769.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF CHASKA

22. That the following described area in Laketown Township is subject to orderly annexation pursuant to Minnesota Statutes 414.032 and the parties hereto designate this area for orderly annexation to the City of Chaska:

East one half of Section ~~24~~<sup>24</sup>, Township 116, Range 24  
East one half of Section 25, Township 116, Range 24  
East one half of Section 36, Township 116, Range 24.

23. That the Town of Laketown does, upon adoption of this stipulation and its adoption by the City Council of the City of Chaska, Minnesota, confer jurisdiction upon the Minnesota Municipal Board to assist the signatories in the execution of this agreement.

24. That no annexation in the orderly annexation area described in Paragraph 22, shall take place (unless agreed to in writing by the City of Chaska and Laketown Township) within five (5) years from the effective date of this joint resolution, except that the hereinafter described area shall be annexed to the City of Chaska upon the City of Chaska ordering the installation and construction of a sanitary sewer project which benefits

all of said area or at least that portion thereof known as the Oakwood Terrace and Shady Point area; and, upon the ordering of such sanitary sewer improvement, the City of Chaska shall submit to the Municipal Board its petition to annex said hereinafter described area to which petition Laketown Township agrees it will not object. Said area being described as follows, to-wit:

That portion of Sections 24 and 25, Township 116, Range 24 lying southerly of Lake Bavaria and easterly and northerly of County Road No. 11.

25. That anything above to the contrary notwithstanding, the City of Chaska shall be required at any time to annex all of the lands described in paragraph 22 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

26. That the mill levy of the City of Chaska on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal proportions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Chaska generally; and, that any alteration of mill levies on any other annexed portions shall be as determined by agreement of the parties at that time and if there is a failure to reach such agreement, the question shall be resolved by the Minnesota Municipal Board.

27. Notwithstanding any further provisions of this agreement any lands annexed to the City of Chaska which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Chaska's Rural and Urban Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

28. That both parties to this resolution agree to dismiss the pending action before the Minnesota Municipal Board, same being File Docket A-2205(OA) Laketown.

#### PROVISIONS GOVERNING ANNEXATIONS TO CITY OF WACONIA

29. That those portions of the Town of Laketown, Carver County, Minnesota, described as:

All of Sections 6, 7, 18, 19, 20, 29, 30, 31, and 32, and the Southwest Quarter of Section 8, and the Northwest Quarter and the South Half of Section 17, all being in Township 116, North, Range 24 West.

shall be designated for orderly annexation to the City of Waconia as provided by Minnesota Statutes 414, said boundary to be established forthwith by Order of the Municipal Board, ~~subject only to future revision thereof by subsequent Order of the Municipal Board in the event that future development in the present Town~~

~~of Laketown would indicate an adjustment of such boundary would be in the best interests of the portion of Laketown Township affected.~~

30. That for a period of five (5) years after execution of this Stipulation by the parties hereto the City of Waconia will not initiate nor be a party to any action through the Municipal Board for final annexation to Waconia of any portions of Laketown Township designated above for orderly annexation to the City of Waconia except that any part of those portions of Laketown Township described as:

The South Half of Section 7; the Southwest Quarter of Section 8; the West Half of Section 17; all of Sections 18 and 19; and the West Half of Section 20.

may be annexed to the City of Waconia during said five year period from and after January 1, 1978 if such annexation is the result of any of the following:

- A. A petition for annexation signed by 100% of the owners of the property proposed to be annexed.
- B. The City of Waconia determines that portions thereof are in need of sewer service, but then only if the Municipal Board concurs in such determination, and the City of Waconia has approved a preliminary report as to such service and commits itself to order such improvement and to advertise for bids for the provision of such sewer service pursuant to Minnesota Statutes Chapter 429 immediately upon the completion of such annexation.
- C. Joint resolution of the Town of Laketown and the City of Waconia.

31. That anything in paragraph 28 above to the contrary notwithstanding, the City of Waconia shall be required at any time to annex all of the lands described in paragraph 27 above upon a petition for such annexation filed by the Town of Laketown with the Municipal Board.

32. That the Town of Laketown will not change the zoning of any lands described in paragraph 27 above, nor permit the establishment of any nonconforming use, nor subject same to any further special assessments or indebtedness, without having first obtained the approval thereof by the City of Waconia, or, in the alternative, the approval of the Municipal Board after reasonable notice to the City of Waconia.

33. That the mill levy of the City of Waconia on any area so annexed as described above, and upon the occurrence of an annexation proceeding, shall be increased in substantially equal portions over a period of three (3) years such that in the fourth year following annexation the mill rate on such annexed property shall be the same as the City of Waconia generally.

34. Notwithstanding any further provisions of this agreement any lands annexed to the City of Waconia which may be identified as "rural" under Minnesota Statutes 272.67, the rural service taxing district, shall be classified by the City as "rural" and shall be taxed pursuant to the City of Waconia's Rural and Urban

Service District Ordinance until such time as the land is no longer rural as defined in Minnesota Statutes 272.67.

- - - - -

35. That this Stipulation and Agreement shall be in full force and effect only in the event that the provisions hereof are incorporated in an Order of the Municipal Board of the State of Minnesota.

JOINT RESOLUTION AS TO THE TOWNSHIP OF LAKETOWN

WHEREAS, the Municipal Commission of the State of Minnesota presently has before it for hearing and consideration the matter of annexing certain portions of Laketown Township to the City of Waconia and/or to consolidate all or a portion of Laketown Township with the Village of Victoria; and

WHEREAS, as part of the same hearing the Municipal Commission has heard evidence on the question of whether the Township of Laketown should be incorporated, and has entered its Order denying the petition for incorporation; and

WHEREAS, the Township of Laketown, City of Waconia, Village of Victoria, and City of Chaska are parties to the said hearing, as well as are private petitioners who have petitioned for the consolidation of Laketown Township with the Village of Victoria; and

WHEREAS, there is a basis for agreement between the parties to this action upon which the matters presently before the Minnesota Municipal Commission can be settled, and the municipal parties hereto desire to set forth such terms of settlement by means of this resolution,

NOW, THEREFORE, BE IT RESOLVED By the Township of Laketown, the City of Waconia, the Village of Victoria, and the City of Chaska, as follows:

1. That the Township of Laketown is a proper subject for **orderly** annexation under and pursuant to Minnesota Statutes Annotated 414.032 to adjacent political subdivisions, and the parties hereto do hereby designate the entire Township of Laketown, an unincorporated area, as in need of orderly annexation as provided by statute.

2. That the Township of Laketown does, upon the **passage** of this resolution and its adoption by the councils of the City of Waconia, City of Chaska, and Village of Victoria, confer jurisdiction upon the Minnesota Municipal Commission so as to accomplish said orderly annexation in accordance with the terms of this resolution.

3. That for a period of four years after said adoption of this

resolution and the filing of same with the Minnesota Municipal Commission neither the Township of Laketown, nor any of the other municipalities who have adopted this resolution, nor the Municipal Commission, will initiate any action through the Municipal Commission under said orderly annexation statute for the annexation of any property within the presently existing boundaries of the Township of Laketown except in conformity with the terms of this resolution.

4. That there will forthwith be organized under the direction of the Carver County Board of Commissioners a planning group which will include one representative from each of the Township of Laketown, the City of Waconia, the City of Chaska, the Village of Victoria and the Carver County Board of Commissioners, said representatives to be appointed by the respective governing bodies; that the joint planning group shall address itself to how orderly annexation should best be implemented; that the Municipal Commission will continue to hold hearings on this matter at least every six months at a time and a place to be designated by the Commission for the purposed of reviewing such studies and progress which has been made; and that the Town of Laketown agrees to join with all other communities who have adopted this resolution in participating in such planning effort.

5. That in the event that said planning group is not proceeding as intended by the terms of this resolution, that the Municipal Commission shall have the authority, as it deems necessary, to initiate action by the planning group designed towards planning for the area of Laketown Township and the surrounding interested municipalities as provided by this resolution.

6. In the event certain parcels of land in Laketown Township adjacent to existing municipalities desire to be annexed to an incorporated area during said four year period, it is agreed that the annexation shall not occur until there has been a hearing before the municipal commission to determine the purpose of the annexation and whether such annexation, if accomplished, would not create a fiscal problem for Laketwon Township, taking into consideration sewer assessments, annual sewer bills, and the

ability of Laketown Township to function as a legal entity and recover assessments already made.

7. At or prior to the end of said four year period a presentation will be made by the four municipalities who have adopted this resolution, or, if there is agreement between said municipalities, a stipulated case shall be presented to the Commission for its approval. If there is no agreement between said parties, evidence will be taken by the Commission and an order made pursuant to the authority given to the Municipal Commission by Minnesota Statutes authorizing it to delineate the boundaries and determine which portion of the township will be annexed to each of the adjoining municipalities.

8. That the Municipal Commission shall retain the right to call in adjacent political subdivisions which the Commission deems may be involved or have an interest in said matter.

9. That if no action is taken by the Township of Laketown, or the City of Waconia, City of Chaska, or Village of Victoria prior to the end of said four year period, the Minnesota Municipal Commission shall act within a reasonable period of time and call a hearing for the purpose of establishing boundaries of areas to be annexed to the respective adjoining municipalities.

10. In the event that the parties to this resolution shall reach an agreement prior to the termination of said four year period they may accelerate the time for hearing by requesting the Commission to hold a hearing for the purpose of considering the establishment of boundaries.

11. That the appeal presently pending from the Order of the Minnesota Municipal Commission denying the petition of parties to incorporate Laketown Township will be dismissed, and that the pending petitions for consolidation and annexation shall also be dismissed.

Passed and adopted by the Village of Victoria this 16th day of April, 1972.

JOINT RESOLUTION AS TO THE TOWNSHIP OF LAKETOWN

WHEREAS, the Municipal Commission of the State of Minnesota presently has before it for hearing and consideration the matter of annexing certain portions of Laketown Township to the City of Waconia and/or to consolidate all or a portion of Laketown Township with the Village of Victoria; and

WHEREAS, as part of the same hearing the Municipal Commission has heard evidence on the question of whether the Township of Laketown should be incorporated, and has entered its Order denying the petition for incorporation; and

WHEREAS, the Township of Laketown, City of Waconia, Village of Victoria, and City of Chaska are parties to the said hearing, as well as are private petitioners who have petitioned for the consolidation of Laketown Township with the Village of Victoria; and

WHEREAS, there is a basis for agreement between the parties to this action upon which the matters presently before the Minnesota Municipal Commission can be settled, and the municipal parties hereto desire to set forth such terms of settlement by means of this resolution,

NOW, THEREFORE, BE IT RESOLVED By the Township of Laketown, the City of Waconia, the Village of Victoria, and the City of Chaska, as follows:

1. That the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes Annotated 414.032 to adjacent political subdivisions, and the parties hereto do hereby designate the entire Township of Laketown, an unincorporated area, as in need of orderly annexation as provided by statute.

2. That the Township of Laketown does, upon the passage of this resolution and its adoption by the councils of the City of Waconia, City of Chaska, and Village of Victoria, confer jurisdiction upon the Minnesota Municipal Commission so as to accomplish said orderly annexation in accordance with the terms of this resolution.

3. That for a period of four years after said adoption of this resolution and the filing of same with the Minnesota Municipal Commission neither the Township of Laketown, nor any of the

other municipalities who have adopted this resolution, nor the Municipal Commission, will initiate any action through the Municipal Commission under said orderly annexation statute for the annexation of any property within the presently existing boundaries of the Township of Laketown except in conformity with the terms of this resolution.

4. That there will forthwith be organized under the direction of the Carver County Board of Commissioners a planning group which will include one representative from each of the Township of Laketown, the City of Waconia, the City of Chaska, the Village of Victoria and the Carver County Board of Commissioners, said representatives to be appointed by the respective governing bodies; that the joint planning group shall address itself to how orderly annexation should best be implemented; that the Municipal Commission will continue to hold hearings on this matter at least every six months at a time and a place to be designated by the Commission for the purpose of reviewing such studies and progress which has been made.

5. That in the event that said planning group is not proceeding as intended by the terms of this resolution, the Municipal Commission shall have the authority, as it deems necessary, to initiate action.

6. In the event certain parcels of land in Laketown Township adjacent to existing municipalities desire to be annexed to an incorporated area during said four year period, it is agreed that the annexation shall not occur until there has been a hearing before the municipal commission to determine the purpose of the annexation and whether such annexation, if accomplished, would not create a fiscal problem for Laketown Township, taking into consideration sewer assessments, annual sewer bills, and the ability of Laketown Township to function as a legal entity and recover assessments already made.

7. At or prior to the end of said four year period a presentation will be made by the four municipalities who have adopted this resolution, or, if there is agreement between said municipalities, a stipulated case shall be presented to the Commission for its approval. If there is no agreement between said parties, evidence will be taken by the Commission and an

order made pursuant to the authority given to the Municipal Commission by Minnesota Statutes authorizing it to delineate the boundaries and determine which portion of the township will be annexed to each of the adjoining municipalities.

8. That the Municipal Commission shall retain the right to call in adjacent political subdivisions which the Commission deems may be involved or have an interest in said matter.

9. That if no action is taken by the Township of Laketown, or the City of Waconia, City of Chaska, or Village of Victoria prior to the end of said four year period, the Minnesota Municipal Commission shall act within a reasonable period of time and call a hearing for the purpose of establishing boundaries of areas to be annexed to the respective adjoining municipalities.

10. In the event that the parties to this resolution shall reach an agreement prior to the termination of said four year period they may accelerate the time for hearing by requesting the Commission to hold a hearing for the purpose of considering the establishment of boundaries.

11. That the appeal presently pending from the Order of the Minnesota Municipal Commission denying the petition of parties to incorporate Laketown Township will be dismissed, and that the pending petitions for consolidation and annexation shall also be dismissed.

Passed and adopted by the Township of Laketown this 15th day of March, 1972.

DATED: March 15, 1972.

2-2205(09)

JOINT RESOLUTION AS TO LAKETOWN TOWNSHIP  
ORDERLY ANNEXATION BOUNDARIES

WHEREAS, the municipalities of Chaska, Victoria and Waconia, and the Township of Laketown, have agreed by prior Joint Resolution adopted by the respective municipalities and the Township in March of 1972 that the Township of Laketown is a proper subject for orderly annexation under and pursuant to Minnesota Statutes Annotated 414.032 and have by said Joint Resolution designated the entire Township of Laketown as in need of orderly annexation as provided by said statute; and

WHEREAS, the Township of Laketown, the City of Chaska, the Village of Victoria and the City of Waconia have conferred jurisdiction upon the Minnesota Municipal Commission so as to accomplish said orderly annexation and have organized a planning group which has met over a period of one and a half years to develop procedures for the orderly annexation of Laketown Township; and

WHEREAS, the Township of Laketown and the respective municipalities have delineated boundary lines and have determined which portions of the Township should be designated for orderly annexation to each of the adjoining municipalities; and

WHEREAS, the City of Chaska, the Village of Victoria and the City of Waconia have been requested by the Township of Laketown to provide it with copies of its ordinances regarding rural-urban taxing districts, special assessments and other provisions to equalize mill levies so that a fiscal problem will not be created for said Laketown Township;

NOW, THEREFORE, BE IT RESOLVED, by the City of Chaska, the Village of Victoria and the City of Waconia, as follows:

1. That the following boundary lines have been delineated, and the above recited municipalities have determined which portions of Laketown Township should be designated for orderly annexation to the adjoining municipalities, with said boundary lines to include the following:
  - a) City of Chaska - The East Half of Section 24 and the East Half of Section 25, and all of Sections 34, 35 and 36 to be included within the boundaries as to the City of Chaska.
  - b) Village of Victoria - All of Sections 1, 2, 3, 4, 5, 8, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23 and 26, and the North Half of Sections 17 and 28, and the West Half of Sections 24 and 25, to be included within the boundaries as to the Village of Victoria.
  - c) City of Waconia - All of Sections 6, 7, 18, 19, 20, 29, 30, 31, 32 and 33, and the South Half of Sections 17 and 28, to be included within the boundaries as to the City of Waconia.
2. That the City of Chaska, the Village of Victoria and the City of Waconia hereby ratify the boundaries described above by passage of this joint resolution, and submit same to the Township of Laketown and request that said Township also ratify said boundaries after taking such action as the Township deems to be most appropriate.
