Re: Cook Annexations

Dear Mr. Phillips:

We were unable to contact you by telephone yesterday as you requested to discuss the most efficient way of dealing with the problems in the proposed annexations to the City of Cook. It appears that the cleanest and most efficient manner would be to start over. (This should not cause a hardship for the city since no filing fees have been paid yet.)

We are returning the originals of your correspondence, affidavits, ordinances, and maps for A-4048, A-4090, and a proposed annexation of property which appears to be in Field Township. The Municipal Board now considers files A-4048 and A-4090 to be closed.

Enclosed are copies of Minnesota Statutes 414 (with 414.033 highlighted) and the Municipal Board Rules of Procedure.

If you have any questions about this matter, please feel free to contact us.

Sincerely,

MUNICIPAL BOARD
