Docket Number A-4419

Ordinance Number 181

City of Milaca

Dear Mr. Hill:

The Minnesota Municipal Board has now processed the above ordinance. As you know, Ordinance #181 was adopted by the city council on April 5, 1978. However, it was not forwarded to the board for filing until August, 1987. It appears since passage of the ordinance that the property in question has been treated by all concerned as having been duly annexed by the city. Since the ordinance and attached documents, including the petition for annexation and waiver by Milaca Township stating they have no objections to the annexation, appear to otherwise generally satisfy the applicable statutory requirements relative to the annexation in question; and since the failure to file the ordinance with the board in a timely fashion appears to have simply been an oversight, the board is filing and approving the ordinance at this time in the absence of any information to suggest any prejudice to concerned parties as a result of such action.

According to law, this annexation ordinance must be filed with the Township Clerk, County Auditor, Secretary of State, and the Municipal Board. (Since the ordinance has already been filed with the Municipal Board, no additional copies are required.) We also recommend if you have not done so already, that you file the ordinance with the County Recorder.

The annexation is final upon the date the ordinance is approved by the Board, which is the date of this letter.

Sincerely,

MUNICIPAL BOARD
