To Whom It May Concern,

The Owatonna Town Board has no objection to the proposed annexation MMB. Docket No. A-4849; annexation by ordinance of property along the south side of Hwy. 14 into the City of Owatonna. Please consider this letter a waiver of our right to object to the annexation. It is our understanding that such a waiver will permit the City to complete the annexation ordinance without constraint of the 90 day review period as provided by State statute.

Sincerely,

  
Milt Standke  
Owatonna Town Clerk
