Docket No. A-5680 Hayward

Ordinance No. 96-1

Dear Ms. Corbin:

This letter is to advise you that on July 12, 1996, the Minnesota Municipal Board denied approval of the above-referenced annexation.

This denial came after the Board had initially considered the annexation ordinance at a special meeting requested by the City of Hayward on June 21, 1996. Unable to reach consensus at that time, the Municipal Board directed staff to gather additional information and deferred action on the petition until its regularly scheduled July meeting.

The file in this matter is available for review at the Municipal Board office.

Do not hesitate to contact the Municipal Board office if you have further questions or concerns.

Sincerely,

Municipal Board

Christine M. Scotillo
