IN THE MATTER OF THE PETITION OF THE CITY OF PARK RAPIDS
FOR ANNEXATION OF UNINCORPORATED ADJOINING PROPERTY TO THE
CITY OF PARK RAPIDS, MINNESOTA
PURSUANT TO MINNESOTA STATUTES 414.031

To: Board of Municipalities
475 McColl Building
366 Jackson Street
St. Paul, MN 55101-1925

The Minnesota Municipal Board is hereby requested to hold a public hearing on the question of annexing certain property to the City of Park Rapids, Minnesota.

The Petitioner for annexation is the City of Park Rapids.

The area proposed for annexation is described on the attached Exhibit A. as mapped.

1. The City of Park Rapids has submitted a copy of this Petition to Todd Township, Hubbard County, Minnesota, on June 25, 1998.
2. The area proposed for annexation abuts the City of Park Rapids on the City's north boundary and none of the area is presently a part of any incorporated city or of any area designated for orderly annexation.
3. The total acreage of the area proposed for annexation is 118 acres.
4. The Petitioner believes that all of the property is or is about to become urban or suburban in character.
5. City requests annexation because the City intends to extend municipal water and sewer services to the affected area.
6. The parties entitled to notice pursuant to Minnesota Statutes 414.09 are attached to this Petition as Exhibit B.
7. A majority of the landowners have petitioned the City for extension of municipal services and a copy of that Petition is attached as Exhibit C.
8. This Annexation Petition was passed by the City Council of the City of Park Rapids on June 8, 1998 on the motion of N. Carroll and seconded of J. Eix. Councilmembers Schroeder, Smythe, Mayor Cumber, Carroll and Eix all voting in favor with none opposed.

Petition for Annexation

We, the undersigned residents of Todd Township, with the knowledge that central sewer is the inevitable and eventual solution (at costs which will only increase in future years) desire annexation into the City of Park Rapids, with the clear understanding that there will be an immediate attempt at a solution to the sewer and water problems experienced by most residents of our area. We feel such a solution is in the best interests of all concerned for the long term protection of our lake environment.
