

AN ORDINANCE ANNEXING LANDS TO THE CITY OF GREEN ISLE, MINNESOTA

THE CITY COUNCIL OF THE CITY OF GREEN ISLE MINNESOTA TO PROMOTE THE PUBLIC SAFETY, HEALTH AND WELFARE, HEREBY ORDAIN AS FOLLOWS:

Section 1. This ordinance annexes the land described below to the corporate city limits of the City of Green Isle:

Government Lot 2, and the West Seven hundred and five (705) feet of Government Lot 1, in Section 19, Township 114 North, Range 26 West, Sibley County, Minnesota.

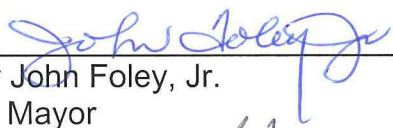

Section 2. This ordinance is enacted under the provisions of Minnesota Statute 414.033, Subdivision 2 (1) in that said land described above is completely owned by the City of Green Isle. Said land abuts the current southern boundary of the city and is approximately 40 acres in area.

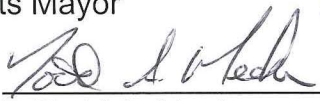

Section 3. The land described above is not within a designated flood plain but is in a shoreland area. The city shall comply with all provisions of Minnesota Statutes Chapter 103F as it pertains to land use controls and any future development of said area.

Section 4. This land was purchased by the city in 1985 as a potential site for a septic sewer holding pond treatment system. That project will not be undertaken. The City intends to now open this land up for potential development purposes. The City believes this annexation will allow the City to develop the property and serve it with city utilities in an effective manner, of benefit to the community.

This ordinance shall become effective immediately upon approval by the Office of Strategic and Long Range Planning of the State of Minnesota.
