RE: MMB Docket No A-6607 Shakopee, City
Shakopee Valley Training Farms, Inc., et al
Petition: 127.978 acres

Dear Christine M. Scotillo:

I am sending this letter for Jackson Township Board as a formal objection to the proposed annexation of land contained in MMB Docket No A-6607.

The Board is formally objecting because they believe an orderly annexation agreement should be in place. The Board's position on this orderly annexation agreement as been previously stated.

Thank you for considering our position in this matter.

Sincerely,

Roselyn Menke
Jackson Township Clerk
