Re: A-7640 Faribault/Cannon City Township (Property South of Acorn Trail; 34.02 acres)
A-7641 Faribault/Cannon City Township (Property North of Fullers Cartway; 16.89 acres)

Dear Mr. Ackman and Mr. Mechura:

Please be advised that on December 18, 2008, the Assistant Chief Administrative Law Judge, in his capacity as Chief Administrative Law Judge for purposes of Minnesota Statutes Chapter 414, granted the request of Cannon City Township to withdraw its objections to the City's proposed annexations and canceled the continued hearings.

The City and Township are to be commended on their diligent and hard work in settling their differences regarding this matter. Hopefully this situation will serve as an example for further cooperation between the Township and City. The City may now proceed to adopt and file the annexation ordinances, which will be final upon the date the ordinances are approved by the Chief Administrative Law Judge.

Please contact this office if you have further questions.

Sincerely,

A handwritten signature in cursive script that reads "Christine M. Scotillo".
