Re: MBAU A-8168 Climax/Vineland Township; OAH Docket 84-0331-35554)
(Ordinance Number 2018-2)

Dear Mr. Voeller:

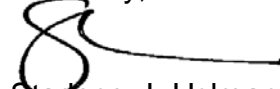

On September 7, 2018, you filed the above-referenced Ordinance with the Office of Administrative Hearings.

On or about October 9, 2018, the Corporate Data Unit of the Minnesota Department of Transportation contacted this office concerning whether or not the proposed annexation area was already within the corporate limits of the City. According to MnDOT records, this area has been in the City since at least 1950. A search of old records did not produce a detachment of this area from the City.

On February 6, 2019, this office received your email confirming that the City wishes to suspend the annexation request at this time.

The Ordinance is hereby withdrawn; no further action will be taken on the above-referenced Ordinance; and the Office of Administrative Hearings' file in this matter is now **CLOSED**. Please contact me at 651-361-7909 or *star.holman@state.mn.us* if you have any questions.

Sincerely,

Starlene J. Holman
State Program Administrator Senior

Enclosure
