Re: D-268 Lake Elmo/A-4807 Oakdale

Dear Ms. Klumpp:

The Municipal Board has received Oakdale's Resolution #90-213 and accompanying map outlining the area which is the subject of the resolution.

The board members, upon reviewing the map, have concluded that the area requested for consideration before the board does not meet the statutory requirement of Minnesota Statutes 414.061, Subdivision 4, "...portions of one municipality completely surrounded by another municipality,..." (emphasis added). Since the necessary jurisdictional requirements have not been met, and in continuing efforts to save money for the cities, as well as the Municipal Board, no further briefing schedules or arguments will be made.

Historically, concurrent detachment and annexations have either been initiated by concurrent resolutions by both cities or by petition of all of the property owners. Copies of sample petitions are available upon request.

Should you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

MUNICIPAL BOARD

Terrence A. Merritt
