Re: D-473 Princeton/Princeton Township (Anderson Property; 5.74 acres)

Dear Mr. Karnowski:

The Office of Administrative Hearings - Municipal Boundary Adjustments has received the above-referenced petition for detachment of property from the City of Princeton. Please refer to the above docket number in future communications regarding this proposed boundary adjustment.

Because there is considerable paperwork and expense with a hearing, the Office of Administrative Hearings - Municipal Boundary Adjustments Unit would appreciate hearing from the city as to their position on the detachment petition by September 3, 2010. If a resolution is received from the City of Princeton by September 3, 2010 supporting the detachment, no hearing is necessary. Minn. Stat. §414.06 Subd. 2.

If you have any questions, please contact this office.

Sincerely,
