MEMORANDUM

In ordering the annexation contained in Docket No. OA-1051-1, the Director finds and makes the following comment:

Planning in the area designated for orderly annexation must be provided for by one of three provisions set forth in Minnesota Statutes Section 414.0325, Subd. 5. The joint resolution does not make reference to which of the three statutory provisions the parties have agreed on to govern planning in the designated area. Agreeing to continue the county's planning and zoning controls for the designated area is not one of the statutory options authorized. The parties have agreed to future urbanization of the designated area and continuing the county planning and zoning controls appears to be inconsistent with statutory requirements.

Section 3 of the agreement imposes a financial obligation on the property owners of the subject property to reimburse the Township. The authority to impose this type of obligation on the property owner is questionable. Reimbursement for lost tax revenue is an optional provision to be negotiated. Minnesota Statutes Sec. 414.036 states reimbursement is to be "from the municipality to the town...." The issuance of this order makes no determination as to the legality or validity of these provisions of the agreement. Any issue that may arise relative to the application or interpretation of these sections will be the sole responsibility of the signatories to the agreement.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
