MEMORANDUM

In ordering the annexation contained in Docket No. OA-1100-1, the Director finds and makes the following comment:

Planning in the area designated for orderly annexation must be provided for by one of three provisions set forth in Minnesota Statutes Section 414.0325, Subd. 5. The joint resolution does not make reference to which of the three statutory provisions the parties have agreed on to govern planning in the designated area.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
