MEMORANDUM

In ordering the annexation contained in Docket No. OA-1348-1, the Chief Administrative Law Judge finds and makes the following comment:

Recent legislative amendments to Chapter 414 became effective on August 1, 2007.

Included in the amendments is a new subdivision that requires published notice prior to adopting an orderly annexation agreement. Minn. Stat. Sec. 414.0325, Subd. 1b states:

**Subd. 1b. Notice of intent to designate an area.** At least ten days before the municipality or township adopts an orderly annexation agreement, a notice of the intent to include property in an orderly annexation area must be published in a newspaper of general circulation in both the township and municipality. The notice must clearly identify the boundaries of the area proposed to be included in the orderly annexation agreement and the date, time, and place of the public informational meeting to be held as provided in section 414.0333. The cost of providing notice must be equally divided between the municipality and the township, unless otherwise agreed upon by the municipality and the township. *This subdivision applies only to the initial designation to include property in an orderly annexation area subject to the orderly annexation agreement and not to any subsequent annexation of any property from within the designated orderly annexation area. This subdivision also does not apply when the orderly annexation agreement only designates for immediate annexation property for which all of the property owners have petitioned to be annexed.*

It is not clear from the joint resolution whether all the property owners have petitioned for annexation. For future reference, any new orderly annexation agreements must comply with this notice requirement.
