**CITY OF BUFFALO RESOLUTION**

**MUNICIPAL BOUNDARY ADJUSTMENTS DOCKET NO. \_\_\_\_\_**

**JOINT RESOLUTION FOR ORDERLY ANNEXATION BETWEEN  
THE TOWN OF BUFFALO  
AND THE CITY OF BUFFALO,  
WRIGHT COUNTY, MINNESOTA**

**WHEREAS**, the City of Buffalo (hereinafter referred to as the “City”) and the Township of Buffalo (hereinafter referred to as the “Town” or “Township”), both located within Wright County, in the State of Minnesota, desire to accommodate growth in the most orderly fashion; and

**WHEREAS**, the Town Board and City Council have expressed their desire to encourage future development of selected properties near the City so as to avail such development of municipal services as much as is practical; and

**WHEREAS**, a joint orderly annexation agreement between the parties hereto is beneficial to both parties from the standpoint of orderly planning and orderly transition of government within the area proposed to be annexed and provides the guidelines under which such annexation shall take place.

**NOW, THEREFORE, BE IT RESOLVED**, in consideration of the mutual terms and conditions that follow, the City and Town enter into this Joint Resolution for Orderly Annexation (sometimes hereinafter referred to as “Agreement”) and that the property herein described is proposed to be annexed by the City of Buffalo and shall be annexed subject to the following terms and conditions:

1. **Designation of Orderly Annexation Area.**

The Township and the City hereby designate the areas legally described on **Exhibit 1** attached hereto and incorporated herein by reference (hereinafter referred to as the “Orderly Annexation Area”, “OAA” or “Subject Area”) for orderly annexation pursuant to Minnesota Statutes Section 414.0325.

A boundary map showing the Subject Area legally described on **Exhibit 1** is attached hereto as **Exhibit 2** and incorporated herein by reference.

The Township and City agree that the Orderly Annexation Area legally described on **Exhibit 1** and designated for orderly annexation pursuant to Minnesota Statutes Section 414.0325 is approximately 5,750 acres.

Buffalo Township Hall property will not be annexed as a part of this joint agreement

2. **Office of Administrative Hearings, Municipal Boundary Adjustments.**

Upon approval by the Town Board and the City Council, this Joint Resolution shall confer jurisdiction upon the State of Minnesota Office of Administrative Hearings, Municipal Boundary Adjustments (hereinafter referred to as the "MBA") or its successor pursuant to Minnesota Statutes.

3. **No Alterations of Boundaries.**

The Town and City mutually agree and state that the MBA may review and comment, but that no alterations by the MBA of the stated boundaries of the area designated for orderly annexation is appropriate. Any alterations of boundaries may only be made upon the joint agreement of the Town and City.

4. **Review and Comment by Municipal Boundary Adjustments.**

The Town and City mutually agree and state that this Joint Resolution and Agreement sets forth all the conditions for annexation of the areas designated and that no consideration by the MBA is necessary. At such time as the conditions for annexation of the areas or a portion thereof as described in this Agreement have been met, upon receipt of a Resolution for Annexation from the City of Buffalo, the MBA may review and comment, but shall, within 30 days, order the annexation in accordance with the terms of the Resolution.

5. **Reasons for the Annexation.**

The reasons for the annexation of the Designated Area include the City and Town's collective determination that (i) the City can more readily provide the types and level of services desired within Designated Area; and (ii) the type of development likely to occur in the Designated Area is more consistent with development within the City.

6. **Effective Date/Applicability.**

This Joint Resolution is effective on the date it is adopted by the City and the Town; whichever is the second to act on this resolution. Annexations occurring as provided in this Joint Resolution shall be effective upon the issuance of the order by the MBA. The provisions of this Joint Resolution shall be binding unless otherwise modified by a joint resolution of both the City and Town as provided herein.

7. **Planning and Land Use Control Authority.**

The Town and City mutually agree and state that all land use authority within the Orderly Annexation Area shall remain with Wright County and the Township (if the Township chooses to exercise planning and zoning authority pursuant to Minnesota law) while such properties remain in the Township, however no property shall be subdivided within the Orderly Annexation

Area in such a manner that will create more than 2 lots unless the property is first annexed to the City. The City shall have exclusive planning, zoning and subdivision authority over all properties annexed under the authority of this Agreement. The Township agrees to request that the County planning department notify the City of any requests for conditional use permits, land use changes, subdivision, rezoning or grading and filling within the OAA and allow the City to review and comment.

8. **Tax Step-Up for Platted Developed Residential Property.**

For platted, residentially developed properties existing in the Town that are annexed pursuant to this Agreement, the tax rate of the City on the area annexed shall be increased over a four year period to equality with the tax rate on the property already within the municipality as follows: During the first year in the City the parcel would pay 50% of the City tax rate, during the second year in the City the parcel would pay 70% of the City tax rate, during the third year after annexation the parcel would pay 85% of the City tax rate, and during the fourth year after annexation the parcel would pay the full 100% of the City tax rate.

9. **Taxation Reimbursement.**

- A. **Tax Reimbursement.** Unless otherwise mutually agreed, to allow the Township to be reimbursed for the permanent loss of taxable property from Township tax rolls for property in the Orderly Annexation Area, the City agrees that it will pay to the Township two and one-half times the amount in taxes that the Township levied against the annexed property in the year preceding annexation, exclusive of debt service and special assessments. In the year following annexation, the City shall remit payment to the Town in no more than four equal semi-annual payments within thirty (30) days after receipt of the tax revenues for the property from the Wright County Treasurer's office.
- B. **Tax Exempt Lands.** Lands, which are tax exempt as of the date of their annexation pursuant to this Joint Resolution, shall not be subject to the provisions of this section relating to Tax Reimbursement.
- C. **Delinquent Taxes.** The City agrees that it shall remit all delinquent taxes, charges and assessments collected from any portion of the Orderly Annexation Area after annexation of such property if such taxes or charges were originally payable while the delinquent property remained in the Township. Additionally, when a property no longer qualifies for special tax treatment through Green Acres or other applicable programs such as Ag Preserves, CRP, This Old House, and taxes that were deferred under one of these programs is paid to the City, the City shall remit to Township the amount which was deferred during the time the property was in the Township.
- D. **Assumption of Liability for Public Improvements.** The City does not assume by this annexation any liability or responsibility for the payment of any obligations issued to finance public improvements constructed by the Township or for which

the Township levied special assessments. In the event that the City annexes land under this Agreement upon which outstanding special assessments levied by the Township remain at the time of annexation, the City shall forward to the Township upon receipt all special assessment payments which the City receives as a result of special assessments levied by the Township.

Other than the reimbursement outlined above, no other reimbursement or taxes shall be owed to the Township from the City.

10. **Conditions for Orderly Annexation.**

The City and the Town mutually state and agree that properties in the areas described on **Exhibit 1** and as shown on **Exhibit 2**, or any portion thereof shall be annexed to the City by the Office of Administrative Hearings upon receipt of a resolution from the City requesting such annexation. The City may adopt such resolution not sooner than 31 days after submitting a copy of an annexation petition to the Township (the Township may waive the 31-day period) and only when all of the following applicable conditions have been satisfied:

- A. The property to be annexed under this Agreement must be located within the annexation area legally described on attached **Exhibit 1** and graphically depicted on attached **Exhibit 2**.

- B. Dague Avenue. Dague Avenue (depicted on and legally described in Exhibit 3) shall be immediately annexed to the City without regard to the provisions of Section 10. 16. **Effective Date and Termination.**

This Joint Resolution shall be effective upon adoption by the governing bodies of the City and Town and accepted by the MBA. Unless the parties have agreed to an extension, this agreement shall terminate on December 31, 2029. Notwithstanding the termination of this Agreement, the provisions of paragraphs 7 through 9, 11 and 12 of this Agreement shall remain binding after the termination of the Agreement for all properties annexed under the terms of this Agreement prior to its termination.

17. **Disputes and Remedies.**

The City and Township agree as follows:

- A. **Negotiation.** When a disagreement over interpretation of any provision of this Joint Resolution shall arise, the City and the Township will direct staff members, as they deem appropriate, to meet at least one (1) time at a mutually convenient time and place to attempt to resolve the dispute through negotiation.
- B. **Mediation/Arbitration.** When the parties to this Joint Resolution are unable to resolve disputes, claims or counterclaims, or are unable to negotiate an interpretation of any provision of this Joint Resolution, the parties may mutually agree in writing to seek relief by submitting their respective grievances to mediation and/or binding arbitration. - C. **Adjudication.** When the parties to this Joint Resolution are unable to resolve disputes, claims or counterclaims, are unable to negotiate an interpretation of any provision of this Joint Resolution or are unable to agree to submit their respective grievances to mediation or binding arbitration, or such action has not otherwise resolved the matter in dispute, either party may seek relief through initiation of an action in a court of competent jurisdiction. In addition to the remedies provided for in this Joint Resolution and any other available remedies at law or equity, in the case of a violation, default, or breach of any provision of this Joint Resolution, the non-violating, non-defaulting, or non-breaching party may bring an action for specific performance to compel the performance of this Joint Resolution in accordance with its terms.

18. **Amendment.**

Both parties reserve the right to initiate an amendment or revision to the Agreement at any time. Upon initiation, the parties agree to meet and discuss the proposed amendment or revision, but neither party shall be required to approve such amendment or revision.

19. **Costs Associated with OA Agreement.**

Each party shall pay its own costs incurred in the negotiation, development and implementation of this Agreement, but the City shall pay any filing fees and costs required by the State of Minnesota associated with the annexation of property pursuant to the terms of this Agreement.

20. **Venue.**

The venue for all actions concerning this Agreement shall be Wright County, Minnesota.

21. **No Further Annexation.**

The parties recognize that property owners continue to maintain those options available by law at the time of their action to pursue municipal boundary adjustments. However, during the term of this Agreement, the City will not support any property owner-initiated annexation petition for areas proposed for development that are located within Buffalo Township outside of the Orderly Annexation Area. It is the intent of the parties that this Agreement set the exclusive geographical boundaries of land that may be annexed and set the exclusive procedures under which annexation from the Township to the City may occur during the term of this Agreement.

With respect to the Subject Area and Orderly Annexation Area legally described on **Exhibit 1** and shown on **Exhibit 2**, respectively, which are attached hereto and incorporated herein by reference, the terms, covenants, conditions, and provisions of this Joint Resolution shall constitute the entire agreement between the parties hereto superseding all prior agreements and negotiations between the parties.
