MEMORANDUM

In ordering the annexation contained in Docket No. OA-357-52, the Director finds and makes the following comment:

Planning in the area designated for orderly annexation must be provided for by one of three provisions set forth in Minnesota Statutes Section 414.0325, Subd. 5. The joint resolution does not make reference to which of the three statutory provisions the parties have agreed on to govern planning in the designated area.

Minnesota Statutes Section 414.036 specifically allows for municipal reimbursement in an order issued pursuant to Minnesota Statutes Section 414.0325. Such reimbursement to the township of property taxes must be of substantially equal payments over a period of not less than two nor more than six years. Including such a provision in an order under Minnesota Statutes Section 414.0325 is discretionary with the Director. Article VIII of the agreement provides for a division of tax revenue from an annexed area, based upon an eight year schedule. By making this order, no determination is made as to the effectiveness of such a schedule.

Article XII states the agreement shall expire within 20 years unless an extension is requested by the parties in writing. End dates or ending mechanisms are problematic in that they appear to run afoul of the act of conferring jurisdiction to the Director. See Section II. Once jurisdiction is conferred, it cannot be taken away by written consent of the parties. Jurisdiction ends when all the designated area is annexed. The issue whether jurisdiction could be “given

back” by the Director upon written request of the parties to the agreement to mutually end their agreement has not been addressed.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation. *Cms*
