Dear Mr. Potter:

Minnesota Planning has had the above-entitled file pending for over one year. As you requested, due to the problem with the property description, the petition, city resolution, and map are being returned. Since this file has been pending over one year, the filing fee cannot be refunded.

No further action will be taken on this matter. Minnesota Planning is, therefore, closing this file.

If you have any questions concerning this matter, please contact this office.

Sincerely,
