Minnesota Municipal Boundary Adjustments  
Executive Director Christine M. Scotillo  
658 Cedar Street, Room 300  
St. Paul, MN 55155

Dear Ms. Scotillo:

Enclosed is a Joint Resolution between the City of Belle Plaine, Blakeley Township, Scott County, and Faxon Township, Sibley County (Resolution 01-067, 01-01, and 01-01, respectively) for the annexation of land into the City of Belle Plaine.

You may recall that the City of Belle Plaine had previously submitted a check last year to the Municipal Boundary Adjustments for this annexation. The process was put on hold at the State level due to a discrepancy in the land description, which revealed a portion of the surveyed land was located in Faxon Township/Sibley County. The attached resolution addresses this issue. The City of Belle Plaine would like to request that the original file be closed and the funds be applied to this transaction.

Thank you for your assistance. Please contact Mayor Maynard Harms, or myself, if you need anything further.

Sincerely,
