TO THE OFFICE OF STRATEGIC AND LONG RANGE PLANNING  
A JOINT RESOLUTION  
OF THE CITY OF BYRON AND THE TOWNSHIP OF KALMAR  
DESIGNATING AN UNINCORPORATED AREA AS IN NEED OF ORDERLY  
ANNEXATION AND CONFERRING JURISDICTION OVER  
SAID AREA UPON THE OFFICE OF  
STRATEGIC AND LONG RANGE PLANNING  
PURSUANT TO MINN. STAT. 414.0325

REC'D. BY NOV 20 2000

**Whereas,** the City of Byron and the Township of Kalmar desire to accommodate growth in the most orderly fashion; and

**Whereas,** a joint orderly annexation agreement between the parties hereto is beneficial to both parties from the standpoint of orderly planning and orderly transition of government within the area proposed to be annexed, and provides the guidelines under which such annexation shall take place; and

**Whereas,** the Parties hereto desire to enter into a binding contract which encompasses the terms of this Joint Resolution;

**NOW THEREFORE BE IT RESOLVED** by the City of Byron (hereinafter referred to as "the City") and the Township of Kalmar (hereinafter referred to as "the Township") that the property described herein is designated for orderly annexation by the City and shall be annexed subject to the following conditions:

- I. The property which is covered by this orderly annexation agreement is legally described as follows:  
See Exhibit "A" and "B" attached hereto and made a part hereof by reference.
- II. The City and the Township hereby agree that the following described property, which is included within the orderly annexation area described above, shall be immediately annexed to the City:  
See Exhibit "A" attached hereto and made a part hereof by reference.
- III. Any General Development Plan presented to the City involving the property described in Exhibits "A" or "B" shall be provided to the Township within fourteen (14) days of the City's receipt of the General Development Plan.
- IV. The parties agree that the property described in Exhibit "C" shall not be annexed to the City during the term of this Agreement unless the owner petitions for annexation.
- V. The City may annex parcels of land contained within the property described in the attached Exhibit "B" if all owners of said parcel or parcels of land request annexation and if said parcel or parcels share a common boundary with the City at not less than one point.
- VI. No part of the Property described in Exhibit "B" may be annexed to the City unless all the landowners owning the land in the area to be annexed request annexation. All land to be annexed shall be reasonably compact in size and, after the annexation, should not isolate other

parcels of land. Notwithstanding any other provisions of this Agreement, however, nothing herein shall prevent the City from annexing any property pursuant to Minnesota Statutes Section 414.033, Subd. 2 (2), which specifically allows the annexation by ordinance of land that is completely surrounded by land within the municipal limits. In addition, nothing herein shall prevent the City from annexing property owned by the State of Minnesota or the United States of America, pursuant to Minnesota Statutes Section 414.033. In addition, any parcels of land that are located within the Township that are owned by the City on or before the date of this Agreement may be annexed to the City pursuant to Minnesota Statutes Section 414.033. Nothing herein shall prevent the City from annexing any property pursuant to Minnesota Statutes Section 414.033, Subd. 3.

- VII. The Township agrees that it will not allow annexation of any part of the land described in Exhibit "B" or within the City's Urban Service District, as defined by the Olmsted County Land Use Plan, to any other jurisdiction.
- VIII. The parties hereby confer jurisdiction on the Office of Strategic and Long Range Planning over annexation of the Property and over the various provisions of this Agreement. The Property is adjacent to the City.
- IX. All annexation within the Property will be consistent with the City's policies concerning the extension of municipal utilities.
- X. The City will construct and provide water, sanitary sewer, storm sewer and street improvements to the Property as requested by the owner, pursuant to state and local law, at the discretion of the City and based on the policies of the City then in effect.
- XI. For each annexation that occurs under this Agreement, the electric utility service notice as required by Minnesota Statutes Section 414.0325, Subd. 1a, will be satisfied.
- XII. The parties agree to the following division of tax revenues and payment of special assessments for local improvements to the property:
- (A) Property Taxes: For a period of ten (10) years after a parcel of property is annexed to the City pursuant to this Agreement, the City shall pay to the Township an annual amount equal to the amount of real estate tax assessed to the property in the year of annexation. There shall be no proration of the amount owed by the City to the Township in the year of annexation.
- (B) Utility and Street Assessments: When properties are located outside the corporate City limits of the City and City sewer, water and street improvements benefit the property, the property owner shall be charged Development Charges and special Connection Charges equal to the cost of the improvements plus interest at a rate equal to the interest rate on the City's bonded indebtedness for the project. If and when the City pays the bonded indebtedness on the project in full, no further interest shall be charged. The Development Charges shall be payable when the property has been annexed to the City and a final plat for the development of any portion of the owner's property is approved.
- XIII. The annexed Property shall be zoned R-I according to normal zoning procedures established in the Byron Zoning Ordinance.
- XIV. This Agreement will go into effect on the date that the Orderly Annexation Agreement is approved by the Office of Strategic and Long Range Planning. Each subsequent annexation within the Property designated by this Agreement must be submitted to the Office of Strategic and Long Range Planning.

- XV The City and the Township agree that no alteration of the stated boundaries of the Property requested to be annexed is appropriate. Furthermore, the parties agree that no consideration by the Office of Strategic and Long Range Planning is necessary. Upon receipt of this resolution, passed and adopted by each party, the Office of Strategic and Long Range Planning may review and comment, but shall, within thirty (30) days, make an order, including the immediate annexation as stated in Section II, in accordance with the terms of this joint resolution.

Future annexations will be accomplished by submission of a joint resolution for orderly annexation to the Office of Strategic and Long Range Planning from the City and the Township. In any case where there is disagreement between the City and the Township as to an area proposed for annexation under the terms of this Agreement, either the City or the Township or both may submit a resolution to the Office of Strategic and Long Range Planning to consider said annexation pursuant to Minnesota Statutes Section 414.0325; and specifically Subdivision 2 of Minnesota Statutes Section 414.0325 shall apply for hearing purposes. The submission of a resolution by either the City or the Township, or both the City and the Township to the Office of Strategic and Long Range Planning to consider an annexation under the terms of this Agreement shall confer jurisdiction to the Office of Strategic and Long Range Planning over said annexation.

- XVI Any tax payments due to the Township pursuant to Section XII of this Agreement will be made within thirty (30) days of receipt by the City of the tax distribution from Olmsted County.
- XVII This Agreement will automatically expire on June 1, 2020; however, nothing herein shall prevent the City and the Township from amending this Agreement during its term.
- XVIII If the City intends to annex a parcel of property described in Exhibit "B", the City shall submit to the Township the following:
- (A) The legal description of the property to be annexed and a map of the property to be annexed.
  - (B) A description of the proposed use of said property.
  - (C) A General Development Plan for the parcel to be annexed.
- XIX If a property owner petitions for the annexation of a parcel of land described in paragraph XVIII above, the City and the Township shall do the following:
- (A) Within ten (10) days of the receipt by the City of a Petition for Annexation, the City shall forward a copy of same to the Township.
  - (B) The City shall schedule a Public Hearing and notify all contiguous property owners and the Township of said Public Hearing.
  - (C) Within forty (40) days of the receipt by the Township of the Petition for Annexation, the Township shall provide its written comments, if any, to the City.
  - (D) If the City adopts a Resolution approving the annexation, the City shall provide a copy of said Resolution to the Township within five (5) business days.
- XX This Resolution shall be a binding contract upon the Parties herein, and may be enforced in either Law or Equity, notwithstanding future amendments in Minnesota Statutes, except as specifically provided otherwise in this Agreement.
