MEMORANDUM

In ordering the annexation contained in Docket No. OA-992-19, the Chief Administrative Law Judge finds and makes the following comment:

Planning in the area designated for orderly annexation must be provided for by one of three provisions set forth in Minnesota Statutes Section 414.0325, Subd. 5. The joint resolution does not make reference to which of the three statutory provisions the parties have agreed on to govern planning in the designated area.

Section 13.01 states the agreement will terminate on August 15, 2030 in all respects End dates or ending mechanisms are problematic in that they appear contrary to the act of conferring jurisdiction to the Chief Administrative Law Judge. Once jurisdiction is conferred, it cannot be taken away by written consent of the parties. Jurisdiction ends when all the designated area is annexed. The issue whether jurisdiction could be “given back” by the Chief Administrative Law Judge upon written request of the parties to the agreement to mutually end their agreement has not been addressed.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
