7. That part of the property to be detached owned by Petitioner Meulebroeck consists of approximately 11.31 acres.

8. That part of the property to be detached owned by Petitioners Thomas J. Nelson and David R. Nelson consists of approximately 105.74 acres.

9. The real property to be detached is located in the City of Pipestone, County of Pipestone, State of Minnesota, and abuts the municipal boundary of the Township of Gray, County of Pipestone, State of Minnesota. Attached hereto as Exhibits 1 through 3, as amended, are true and correct copies of a City of Pipestone boundary map and screenshots from Pipestone County GIS that fairly and accurately depict the boundary of the City of Pipestone and Gray

Township and the location the of property to be attached, identified as parcels 18-018-0650 and 18-018-1200 in Exhibit 3.

10. Petitioners are the sole owners of tracts within the property proposed for detachment.

11. The number of persons required to commence this proceeding pursuant to Minn. Stat. § 414.06(1) is three.

12. The real property to be detached is rural in character, used exclusively for agricultural purposes, not developed for urban residential, commercial or industrial purposes, not served by or connected to municipal utilities or improvements, has one building and has no resident population.

13. Petitioners are requesting detachment of the real property for the following reasons:

1) The annual property taxes assessed on the real property by the City of Pipestone equal approximately sixty-eight and six-tenths percent (68.6%) of the real estate taxes assessed on the property;

2) The real property is used solely for agricultural purposes and is being taxed in excess of the agricultural properties abutting and proximate to the real property not located in the City of Pipestone, creating a disparate treatment and impact of the real property solely because the property was annexed to the City of Pipestone and removed from Gray Township;

3) The real property is not benefitted or served by any municipal utility or other public service provided by the City of Pipestone to the residents of the City of Pipestone;

4) The real property is bounded on the north by unincorporated,

agricultural property in Gray Township, on the east by unincorporated agricultural property lying in Gray Township; on the South by Skyway Industrial Park Addition to the City of Pipestone, and on the East by unplatted property and the Second Subdivision of Section 18 of the City of Pipestone.

5) The real property is not needed for anticipated future development and the majority of the property cannot be used for future development because it lies within a floodplain; and

6) Detachment will not unreasonably affect the symmetry of the City of Pipestone.

14. The efforts taken prior to filing this petition to resolve the issues include: Inquiry was made of the City through City Administrator, Deb Nelson, about whether the City would agree to or oppose detachment, and the City Council discussed the issue of detachment on July 7, 2025, but took no action indicating that the City would consent or opposed detachment.

WHEREFORE, Petitioner respectfully requests an Order:

1. Detaching the real estate from the City of Pipestone and making the real estate part of the Township of Gray;
2. Apportioning costs as allowed by statute; and
3. For such additional and further relief that is just and equitable.
