IN THE MATTER OF THE PETITION OF THE CITY OF GROVE CITY, MINNESOTA, TO ANNEX  
CERTAIN ADJOINING UNINCORPORATED TERRITORY TO THE CITY.

TO THE MINNESOTA MUNICIPAL BOARD:

REC'D. BY  
MAY 27 1983

Pursuant to a resolution duly adopted by the City Council of the City of Grove City, on ~~February 8~~ 1983, a copy of which is attached, the undersigned hereby petition your honorable body to hold a public hearing on the question of annexing the territory described below to the City of Grove City, Minnesota, and for that purpose respectfully state:

1. This territory abuts upon the city limits at the Northwesterly boundary thereof, and none of it is presently a part of any incorporated city.

2. The territory which it is proposed to annex consists partly of lands which have been platted into lots and blocks, which plat has been duly and legally made and certified according to the laws of this State and filed in the office of the County Recorder of the County of Meeker, Minnesota, and partly of unplatted lands, all of which are about to become urban or suburban in character. All of these lands, platted and unplatted, lie entirely within the County of Meeker, Minnesota, and the description of the lands, both platted and unplatted, is as follows:

See attached Schedule A.

3. The parties entitled to notice, pursuant to Minnesota Statutes Section 414.09, are:

- a. Acton Township
- b. Meeker County

4. Annexation of the described property is requested for the following reasons:

- a. Said property is in need of City services, including City sewer and water;
- b. Said property is so situated that its development should proceed in coordination with that of the City;
- c. Citizens residing in the areas have requested the City to provide services and/or annex said properties; and,
- d. The annexation of said lands would "square off" the City boundaries and expand them to encompass the City as actually developed.
