

REC'D. BY SFP 6 1983

August 18, 1983

Sartell City Council:

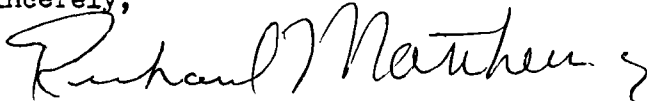

Dear Council Members:

Please accept this letter as a request to the council to pursue action on my behalf to annex Lot 7, Block 1, Meyer Park Plat 3 into the Sartell city limits.

I have purchased the property located in Meyer Park, plat 3, and had a sample core drilled. The results were a granite shelf forty three (43) feet down which presents a questionable water supply and an extremely costly project.

At this time I would also like to request permission to hook up to the city water and sewer while due processing of annexation is in progress.

Sincerely,

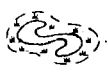

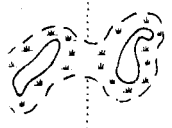

Richard Matthews
