Re: Annexation of 57.9[±] Acres
Parcel of Land

Dear Sir;

I am the owner of the following attached described 57.9[±] acre tract of land located immediately adjacent to the City limits in Eastern Byron, see the attached property description.

At this time I would like to petition the Council to annex said tract into the City of Byron. I would further request that it be annexed into the City as part of the City's rural service area until such time as a general development plan is completed and approved and the access to said property is obtained.

Should you have any question concerning the above request, please feel free to contact Bob DeWitz 909 6th Street N.W. Rochester, Minnesota 55901 or call 282-4624, who will be handling the development.

Thank you for your consideration of this matter.

Sincerely,

Floyd Nelsen

Lois Nelsen

Bob DeWitz
