ST. PAUL, MINNESOTA 55101

FROM: THE UNDERSIGNED, CONCERNED RESIDENTS OF THOMASTOWN
TOWNSHIP, AMONG OTHERS

WE HEREBY REQUEST that the Minnesota Municipal Board schedule and hold a public hearing at the Thomastown Township Hall or at such other location as the Municipal Board deems appropriate, concerning the proposed annexation by ordinance of portions of Thomastown Township by the City of Staples prior to the issuance of the proposed Order of Annexation. The purpose of this hearing is to make the Municipal Board aware of and make a determination as to the following issues, among others:

1. Whether the area to be annexed is urban or about to become urban in character;
2. Whether the area to be annexed is completely surrounded by land within the municipal limits;
3. Whether certain areas to be annexed are currently owned by the City of Staples;
4. Whether those areas to be annexed should be subject to the same mill levy as on the property already part of the City of Staples;
5. The availability of municipal government services being provided by the City of Staples in the areas to be annexed, or the plans/programs of the City of Staples for providing these services in the future;

6. The relationship and effect of the proposed annexation on communities and local government units adjacent to the area, including the ability of Thomastown Township to feasibly continue in a manner as has been its practice; and,

7. The opinion of those persons affected by the proposed annexation.

WE FURTHER REQUEST that the City of Staples be notified of said hearing and be asked to attend, and that notice of said hearing be given in adequate time to allow for published notice thereof.

Respectfully submitted.
