Dear City of Madison Lake,
(Planning & Zoning & Council)

We are requesting to be on the meeting for January to annex our present home at Lot 1, Northern Oaks, Jamestown Township into the Madison Lake City Limits, under the condition we are zoned multifamily. We are presently zoned R-2. Our lot is 1.23 Acres. Our plan is to use our home & pool as a multifamily unit. Please let us know if you need any further details now.

Thanks so much!
