Dear MS Scotillo:

This is in response to your letter drafted September 6, 2001 regarding MBA Docket No. A-6547. Alexandria Township previously has signed a waiver to not object to the annexation of these properties by the City of Alexandria. In addition, the Board of Supervisor of Alexandria Township at the August 6, 2001 meeting passed a motion to have the City of Alexandria proceed with the orderly annexation of Voyager Town Homes, 3rd Addition to Voyager Town Homes, and Northbrook Estates.

If you need any additional information regarding this annexation, please feel free to contact me.

Sincerely,

Gregg Raisanen
Clerk
