Dear Ms. Baumetz:

Pursuant to your e-mail dated June 14, 2002, the Director of Minnesota Planning has granted the request to withdraw the petition in the above-referenced matter, transferred the filing fee to the orderly annexation file (OA-855/OA-855-1) and closed Docket No. A-6689. No further action will be taken on Docket No. A-6689.

If you have any questions concerning this matter, please contact this office.

Sincerely,

**Subject:** Resolution for Orderly Annexation

Star and Rachel,

We need your help again! The Orderly Annexation Agreement was signed last night by Hassan Valley Town Board. This means we would be changing the notice of intent to annex by ordinance A-6689 to Resolution for Orderly Annexation. So, what do you need from us to get on the Board of Adjustments July 13th meeting besides the Resolution? I understand your office must have everything from us by July 3rd. We has sent a check (#110279) for \$197.35, Map of the area to be annexed and the plats. It is important we get this on the July agenda as septics are failing in this area and most lots are not large enough for another septic so they must have city service ASAP. Thanks for all the help! I appreciate it very much! Have a good weekend. Bonnie
