IN THE MATTER OF THE PETITION BY ALL OF THE PROPERTY  
OWNERS FOR THE CONCURRENT DETACHMENT AND ANNEXATION OF  
CERTAIN LAND PURSUANT TO MINNESOTA STATUTES  
SECTION 414.061, SUBDIVISION 5

We, the undersigned, being the property owners of the following described lands located in Section 32 and the West 1/2 of Section 33, Township 29 North, Range 21 West, in the County of Washington, State of Minnesota, do hereby request the Municipal Board of the State of Minnesota to detach said property from the City of Lake Elmo and annex it to the City of Oakdale, all pursuant to statute in such case made and provided.

That annexed hereto and incorporated by reference herein is the legal description of the undersigned petitioners together with a map of the area proposed for annexation.

This boundary adjustment and detachment annexation is being requested because of the need for installation of urban services, municipal water and sewer, and to provide for reasonable and prudent municipal planning for the subject area consistent with the plans of the City of Oakdale which abuts the subject property. Also annexation of these lands to the City of Oakdale will remove the need for pumping stations now servicing the area to the north of the subject land already contained within the City of Oakdale.

**City of Oakdale  
RESOLUTION NO. 89-14**

**RESOLUTION CONCERNING THE DETACHMENT OF THE BALANCE OF SECTION 32  
(NINETY ACRES PREVIOUSLY ANNEXED) AND THE WESTERN PORTION OF  
SECTION 33, FROM LAKE ELMO AND ANNEXATION TO OAKDALE.**

At a regular meeting of the City Council of the City of Oakdale held on Tuesday, March 21, 1989 at the Municipal Building, 1584 Hadley Avenue North, Oakdale, Minnesota, with the following members present: Mayor Leo Hudalla, Councilmembers Ted Bearth, Bill Lee, and Pat Morris, and the following absent: Councilmember Bev Peterson, the Oakdale City Council resolved:

WHEREAS, an initial petition was considered and approved by the Minnesota Municipal Board for ninety acres in the western portion of Section 32; and

WHEREAS, the Municipal Board decision was appealed to District Court and remanded back to the Board for further study; and

WHEREAS, a second petition, signed by a majority of the remaining property owners in Section 32, including the west portion of Section 33 was presented to the City Council at a regular meeting held on February 14, 1989; and

WHEREAS, the issue was referred to staff for review as to the City's ability to provide municipal services to the affected area; and

WHEREAS, study from the planning and engineering consultants both concluded that the City of Oakdale could provide the necessary municipal services to the property.

WHEREAS, the Planning Commission reviewed and recommended approval of the study at a regular meeting held on March 9, 1989.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Oakdale that the City's position is as follows:

1. This petition should be considered in the context of other pending annexation/detachment matters affecting the City of Oakdale and the City of Lake Elmo; and
2. The City desires to enter into discussions with the City of Lake Elmo to discuss planning issues related to all pending annexation/detachment matters; and
3. The City of Oakdale would not oppose the annexation of land being the balance of Section 32 and the western portion of Section 33 as petitioned for by the subject property owners, should the property be allowed by the Minnesota Municipal Board to be detached from the City of Lake Elmo pursuant to Statute in such case made and provided.
