Re: DC-4 Tenney (Petition for City Dissolution)

Dear Ms. Schwab:

The Office of Administrative Hearings acknowledges receipt of the above-referenced petition for dissolution of the City of Tenney. Please refer to the above docket number in future communications regarding this proposed dissolution.

It is the responsibility of the initiating party to meet all necessary requirements before the dissolution can be accepted for filing.

In order to publish a Notice of Hearing we will need to know which paper is in general circulation in the affected area.

Please send a map showing the area proposed for dissolution.

According to maps we obtained from the Minnesota Department of Transportation, the City dump does not appear to be within the city limits. Please clarify whether the City dump is within the city limits or if it still within Campbell Township.

The dissolution statute for cities (Minn. Stat. 412.091) requires that a hearing be held prior to any election on the question of dissolution and that the hearing be conducted according to Minnesota Statutes 414.09. In accordance with statutory requirements, a hearing will be scheduled within 30 - 60 days on this matter. You will receive further information and instructions from this office prior to the date set for the hearing.
