More recently, the Town has established a public sewer and water district to serve the commercial development district adjacent to Interstate Freeway 35 (I-35). Incorporation is in the best interest of Columbus Township to provide for the continuation of planning, the stability of commercial and residential tax base and continued oversight and regulation of development that Columbus Township is incorporated. In addition, the petition for incorporation is consistent with and satisfies the relevant factors set forth at Minnesota Statutes, Section 414.02, Subd. 3, without restating such factors here.
