MEMORANDUM

In ordering the annexation contained in Docket No. OA-1112-1 Eagle Lake, the Director finds and makes the following comment:

Paragraph 3 of the agreement provides for a division of tax revenue from an annexed area, based upon a nine year schedule. By making this order, no determination is made as to the effectiveness of such a schedule. Minnesota Statutes Section 414.036 allows for a reimbursement to the township of property taxes of substantially equal payments over a period of not less than two nor more than six years. Including such a provision in an order under Minnesota Statutes Section 414.0325 is discretionary with the Director. There is also a provision for the city, at its discretion, to make one payment to the township equal to the total of the nine annual payments. By making this order, no determination is made as to the effectiveness of such an alternate schedule.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
