MEMORANDUM

In ordering the annexation contained in Docket No. OA-1159-3, the Chief Administrative Law Judge finds and makes the following comment:

The authority to impose the type of charge identified in paragraph 8 of the agreement, is unclear. Reimbursement for taxable property annexed by order pursuant to Minnesota Statute Section 414.0325 is an optional provision authorized by the statute. The issuance of this order makes no determination as to the legality or validity of these provisions of the agreement. Any issue that may arise relative to the application or interpretation of these sections will be the sole responsibility the signatories to the agreement.

Paragraph 24 states the agreement shall remain in full force and effect until termination by joint agreement of the parties; the remainder of the OAA is annexed; or 10 years from the effective date. End dates or ending mechanisms are problematic in that they appear to run afoul of the act of conferring jurisdiction to the Chief Administrative Law Judge. Once jurisdiction is conferred, it cannot be taken away by written consent of the parties. Jurisdiction ends when all the designated area is annexed. The issue whether jurisdiction could be "given back" by the Chief Administrative Law Judge upon written request of the parties to the agreement to mutually end their agreement has not been addressed.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
