MEMORANDUM

In ordering the annexation contained in Docket No. OA-1405-1, the Chief Administrative Law Judge finds and makes the following comment:

Minnesota Statutes Section 414.0325 Subd. 5 requires that a joint resolution provide for planning controls for the designated area. The joint resolution does not address what provisions the parties have agreed upon to govern planning in the designated area.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
