Dear Ms. Holman:

The City of Bovey and the City of Coleraine each passed resolutions (Bovey Resolution 22-0119-02 and Coleraine Resolution 2022-02.14) detaching and annexing parcels 88-029-1301 and 86-020-4400. An order was issued on March 3, 2022 but the County Auditor's Office found an error on August 22, 2022. The County Auditor's Office found that the parcel descriptions in the body of the resolutions were incorrect but the descriptions in Exhibit A are correct.

The Cities of Bovey and Coleraine are requesting a Corrected/Amended Order be issued. Please let us know if there is any further action either city needs to take.

Respectfully,

Tara DeGuiseppe
