RE: Automatic Extension to Orderly Annexation Agreement
OA-1421 – Moorhead/Dilworth/Moorhead Township

To Whom It May Concern:

The cities of Dilworth and Moorhead entered into an orderly annexation agreement pursuant to Section 414.0325 MSA with Moorhead Township on July 28, 2008/September 9, 2008. The purpose of the annexation agreement is not to immediately annex property, but to designate future annexation boundaries between the cities of Dilworth and Moorhead.

Section five (5) of the Joint Resolution states:

This Joint Resolution will be in effect for 15 years after the date of the Joint Resolution. At least two years prior to its expiration, Moorhead and Dilworth and Moorhead Township agree to meet, confer and negotiate in good faith regarding identified issues of concern and/or desired amendments or modifications to this Joint Resolution. An automatic 10 year extension of this Joint Resolution will occur unless, at least one year prior to its expiration, one of the parties to the Joint Resolution, by resolution of its governing body, serves notices on the other parties of its intent to terminate the Joint Resolution at the end of 15 years. At the termination of the Joint Resolution the normal rules of annexation in Minnesota will control all property within Exhibit A not previously annexed.

The parties of this orderly annexation agreement agree to the automatic 10 year extension.
