

JOINT RESOLUTION FOR ORDERLY ANNEXATION BETWEEN THE TOWN OF JACKSON & THE CITY OF SHAKOPEE

WHEREAS, the City of Shakopee (hereinafter referred to as the "City") and the Township of Jackson (hereinafter referred to as the "Township"), both located entirely within Scott County in the State of Minnesota, desire to accommodate growth in the most orderly fashion, and have agreed that there is a clear need for cooperative future planning for the land governed by the two jurisdictions; and

WHEREAS, the City and the Township entered into a Joint Resolution for Orderly Annexation in 2002 ("2002 Joint Resolution"); and

WHEREAS, the City and the Township have established a committee to develop a new joint orderly annexation agreement which has extensively discussed, studied, and evaluated, pertinent issues regarding annexation and planning; and

WHEREAS, the Township Board and City Council have expressed their desire to encourage future development of land near the City so as to promote the development of municipal services and urban growth as much as is practical, while encouraging the preservation of the character of the Township; and

WHEREAS, the City and the Township are independent local governing authorities that represent the interests of the geographic areas and their constituents; and

WHEREAS, it is desired and expressly understood that decisions of said governing authorities, irrespective of an agreement on a process for orderly annexation, will continue to be made by each respective authority; and

WHEREAS, a new joint orderly annexation agreement is beneficial to both parties from the standpoint of orderly planning and orderly transition of government within the area proposed to be annexed, and provides the guidelines under which such annexation shall take place.

NOW, THEREFORE, BE IT RESOLVED, in consideration of the mutual terms and conditions that follow, the City and the Township enter into this Joint Resolution for Orderly Annexation ("Joint Resolution" or "Agreement") and that the property herein described may be annexed in the future by the City, and at the time annexation is proposed, it shall occur, or may be applied for, subject to the following terms and conditions:

Section 1- Administration

1. <u>Municipal Boundary Adjustment Unit of the Minnesota Office of Administrative</u> <u>Hearings</u>. Upon approval by the Township Board and the City Council, this Joint Resolution shall confer jurisdiction upon the Municipal Boundary Adjustment Unit, or its designated successor ("MBAU") so as to accomplish said orderly annexations in accordance with the terms of this Joint Resolution.

- 2. <u>Review and Comment by the MBAU</u>. The Township and City mutually agree and state that this Joint Resolution and Agreement sets forth all the conditions for annexation and that no consideration by the MBAU is necessary for individual annexations which occur in accordance with this Agreement. MBAU may review and comment, but shall, within thirty (30) days, order the annexation in accordance with the terms of this Joint Resolution.
- 3. <u>No Alteration of Boundaries</u>. The Township and City mutually agree and state that no alterations by the MBAU of the stated boundaries of the area designated for orderly annexation is appropriate.
- 4. <u>Authorization</u>. The applicable legislative bodies of the Township and City, as well as the MBAU, are hereby authorized to carry the terms of this Joint Resolution into effect.
- 5. <u>Severability and Repealer</u>. A determination that a provision of this Joint Resolution is unlawful or unenforceable shall not affect the validity or enforceability of the other provisions herein. This Joint Resolution and Agreement supersedes and replaces the 2002 Joint Resolution in its entirety.
- 6. <u>Geographic Limitation for Annexation</u>. All of the land in the Township is subject to orderly annexation in accordance with this Agreement under and pursuant to State Statute, subject to the provisions contained herein.
- 7. <u>State Statute</u>. The terms and conditions of this Agreement are created as an addition or complement to the requirements for annexation required by law. The language contained herein shall in no way be deemed to circumvent or reduce requirements established by law. If changes to State Statute are enacted during the duration of this Agreement that are more restrictive or otherwise negate the provisions herein, the State Statute shall rule. Nothing in this Agreement, however, is intended to confer, or expand upon, any power or authority that the MBAU does not have pursuant to State Statute.
- 8. <u>Effective Date/Applicability</u>. This Joint Resolution shall be effective upon adoption by the legislative bodies of the Township and the City and acceptance by the MBAU. This Agreement shall be applicable for any annexation petition filed or initiated while the Agreement is in effect. Should this Agreement be terminated following the filing of a petition for annexation, but prior to final action on that annexation by the City, the provisions of this Agreement shall be binding unless otherwise modified by a joint resolution of both the Township and the City.

- 9. <u>Annexation by Ordinance</u>. Annexation by Ordinance shall be accomplished according to Minn. Stat. § 414.033, subd 2.
- 10. <u>Duration of Agreement</u>. This Agreement shall be in force and binding from the date that it is accepted by the MBAU and shall continue to remain in effect until the Township and City replace or renew this Agreement with an amended joint agreement and resolution for orderly annexation.
- 11. <u>Mediation/Arbitration</u>. If a dispute of the terms or conditions of this Agreement arises, the Town and City hereby agree to enter into mediation to attempt to resolve this dispute. Mediation services shall be provided by a state agency or other third party representative agreed to by both the Township and the City. If mediation is unsuccessful, the Township and City hereby agree to enter into binding arbitration to resolve disputes under this Agreement. Mediation and arbitration shall be conducted in accordance with state statutes.
- 12. <u>Amendment and Termination</u>. Both parties reserve the right to initiate an amendment or revision to this Agreement at any time. However, once in effect, any amendment or revision to this Agreement shall require a joint resolution approved by both the Township and the City, as well as acceptance by the MBAU. Both parties reserve the right to request the termination of this Agreement. However, termination of this Agreement shall require a joint resolution approved by both the Township and the City. This Agreement shall terminate immediately upon approval of both legislative bodies and acceptance by the MBAU.
- 13. <u>Planning and Land Use Control Authority.</u> Scott County shall continue to exercise all planning, land use control, and zoning authority over all property in the orderly annexation area until such time as the City annexes the property. The City shall exercise all planning, land use control, and zoning authority over property after it is annexed into the City.
- 14. <u>City Development Standards</u>. The Township and City mutually agree and state that there is an inherent financial benefit to utilize City development standards within orderly annexation areas that will readily allow for the future extension of public utilities. Furthermore, the Township and the City agree to work with Scott County government to create, support, and develop standards that minimize the amount of infrastructure, and potential assessment costs, associated with annexation.
- 15. <u>Joint Notification</u>. Upon receiving or initiating a Petition for annexation, the City shall send to the Town Clerk a copy of the petition, resolution, proposed plans, and other relevant information to the Township not less than thirty (30) days prior to adoption. This provision shall be considered in concert with, and not necessarily in addition to, any required or existing notification procedure maintained by the City or required by State Statute.

- 16. <u>Joint Meetings</u>. The Township and City mutually agree to conduct a minimum of two (2) joint meetings each calendar year to discuss matters relating to this Agreement and to facilitate communication between the City and the Township with respect to annexation matters, such as topics relating to:
 - A. Potential amendments to this Agreement;
 - B. Specific development proposals on property within the annexation area;
 - C. Specific annexation petitions; or
 - D. Discussion of contemplated or ongoing planning studies or capital improvement projects by the City that potentially impact or affect the annexation area.

Unless otherwise mutually agreed to by the parties, the joint meetings will be held on the second Wednesday in February and August. The location and time for each meeting shall be determined jointly by the Township and City. At a minimum, one elected official of each legislative body shall be required to attend the meeting.

Section II - Initiation of Annexation, Petition

- 1. <u>Requirements of Section</u>. All petitions for annexation, or initiation of annexation, shall occur in accordance with the provisions identified by this section. Where state statute allows for a petition to be filed or initiated not in conformance with this section of the Agreement, the legislative body of the City hereby agrees that favorable action will not occur on said petition without the prior or concurrent amendment of this Agreement in accordance with the provisions identified herein.
- 2. <u>Property Owner Initiated Adjacency Requirements</u>. The following standards shall be used to determine adjacency when a property owner, or combination of multiple property owners with contiguous property, initiates annexation of property: A property, or combination of contiguous properties, shall be considered adjacent to the City when fifty (50) linear feet or more of the subject annexation area boundary abuts the municipal boundary of the City.
- 3. <u>City Initiated Annexation Adjacency Requirements</u>. The following standards shall be used to determine adjacency when the City initiates annexation of property:
 - (a) Undeveloped property Twenty five (25) percent contiguous shall be defined as at least twenty five (25) percent of the boundary of the subject property, or combination of contiguous properties, which abuts the City's municipal boundary.

- (b) Developed property Completely surrounded shall be defined as one hundred (100) percent of the boundary of the subject property, or combination of contiguous properties, which abuts the City's municipal boundary.
- (c) Township Limit For the purposes of this document, the Township limit shall be defined as those portions of the outer boundary of the Township, not adjacent to the City, adjacent to other Townships, or jurisdictional boundaries.
- 4. <u>Property Owner Petition</u>. Any landowner, or combination of multiple landowners, with property adjacent to the municipal boundary of the City, may petition the City to annex their property in accordance with this Agreement.
- 5. <u>Subdivision Definition</u>. For the purposes of this Agreement, a subdivision is defined as one or more lots platted through the provisions identified within the Scott County Subdivision Control Ordinance, as from time to time amended. For those lots that predate the Subdivision Control Ordinance, a subdivision shall be considered one or more parcels of land established by lot and block number descriptions rather than a metes and bounds property description.
- 6. Existing Subdivision Petition. A simple majority of land owners within a subdivision based on the total number of lots, when the subdivision boundary is contiguous to the municipal boundary of the City, may petition the City to annex the entire subdivision in accordance with this Agreement. In addition, residential developments platted under the Urban Expansion Reserve provisions of the County Zoning Ordinance may be petitioned in their entirety by the owner, or owners, of a simple majority of the total property of the subdivision, including the outlot(s) reserved for future development. A petition to annex a residential subdivision which developed under the Urban Expansion Reserve Zoning provisions of the County Zoning Ordinance may not be considered valid unless it includes all the gross property of the subdivision, including developed/platted lots, outlot(s), and any public or commonly owned property as applicable. Any existing subdivision petitioning for annexation in accordance with this provision shall be considered a petition of all the representative property owners for the purpose of this Agreement. The separate provisions identified when the City initiates annexation shall not apply.
- 7. Initiation of Annexation by City for Undeveloped Property. The City may in accordance with the staging schedule contained in Section II.9 and without a petition of the property owners, annex undeveloped property, or multiple undeveloped properties, within the Township if at least twenty five (25) percent of the boundary of the subject property, or combination of contiguous properties, abuts the City's municipal boundary. For the purposes of this Agreement, whether or not a property is developed shall be determined at the time of initiation of the annexation, based on existing conditions or approved

and recorded plans, whichever is more restrictive. Undeveloped property means all property that does not meet one of the following criteria:

- (a) Residential subdivisions/lots with a gross density greater than one (1) dwelling unit for every five (5) acres of land based on either the number of dwelling units or lots, whichever is greater. Residential developments platted under the Urban Expansion Reserve Zoning provisions of the County Zoning Ordinance shall include the outlot(s) reserved for future development as part of the calculation of gross density, where applicable.
- (b) Non-residential development with 1,000 square feet of principal and/or accessory building coverage per acre or greater.

For the purposes of this Agreement, a dwelling unit shall be defined as a residential building or portion thereof intended for occupancy by one (1) or more persons with facilities for living, sleeping, cooking, eating, and restrooms. Motels, hotels, rooming houses, nursing homes, manufactured home parks, campgrounds, and similar facilities shall be considered commercial and not residential. Tents, seasonal cabins, motor homes, travel trailers, and other similar temporary or moveable facilities shall not be considered a dwelling unit.

Land which is tax exempt, publicly owned, utilized for utility or transportation purposes, or other similar property shall be considered undeveloped.

- 8. <u>Initiation of Annexation by City for Developed Property</u>. The City may at any time, without a petition of the property owners, annex developed property or multiple adjacent properties within the Township completely surrounded by the municipal boundary of the City, subject to the following additional conditions:
 - (a) <u>Certified Notice of Intent to Annex</u>- The City shall provide a minimum of six months' notice by certified mail to each property owner within a developed area prior to initiating annexation. This certified notice shall also be sent to the Township. This notice shall be considered additional to any requirements established by state statute. The notice shall include the following information:
 - 1. <u>*Improvements*</u> all proposed improvements with an estimated installation date and approximate assessment cost (if applicable).
 - 2. <u>Benefits</u> the major proposed services/benefits that are planned to occur simultaneously with annexation. Benefits suitable for notification shall be at the discretion of the City, but are intended to include, but not be limited to, police and fire services, street maintenance, and park system benefits.

- 3. <u>Tax Rates</u> the existing City tax rate compared to the existing Township tax rate. The notice shall also include the estimated date when the new tax rate would take effect and first be payable to the City. Although an individual analysis of each property is not required, at least one representative example shall be provided that illustrates a typical before and after effect between City and Township taxes identified in dollars per year. The purpose of this provision is to provide general information to property owners within a proposed annexation area.
- 4. <u>Timeline for Annexation</u> the anticipated schedule for future notice, public hearing dates, and the ultimate effective date of annexation. Although individual dates and times need not be identified, the purpose of this provision is to make residents aware of the general chronology of annexation in accordance with statute and the provisions of this Agreement.
- (b) <u>Public Meeting Required</u> The City shall conduct a public informational meeting on the proposed annexation plans within ninety (90) days of the certified notice. The date, time, location, and purpose of this meeting shall be identified as part of the certified notice of annexation. The purpose of this meeting is to provide general information to the public and solicit public input on required infrastructure improvements.
- (c) <u>Effective Date of Annexation</u> City approval of the Resolution for annexation shall not be submitted to the MBAU earlier than one (1) year from the date of approval of the Resolution. The effective date of annexation shall be the date of MBAU approval.
- (d) <u>Assessment Period</u> The payback time on assessments for improvements associated with annexation shall be for a period not to exceed ten (10) years. Individual property owners may request the City to consider increasing the payback time on assessments to a maximum period of twenty (20) years, however, the consideration shall be guided as follows:
 - 1. <u>Property Owner Initiated Annexation</u> Approval of any requested extension is solely in the discretion of the City.
 - 2. <u>City Initiated Annexation</u> Although the City has the right to review and approve assessment payback times, the burden shall be on the City to identify valid reasons why an assessment should not be extended at the request of an individual property owner. To be considered valid, assessment extension requests shall be made prior to or as part of the hearing process required for annexation.

Any dispute to this provision shall be governed by the Mediation/Arbitration provision of this Agreement.

- (e) <u>Public Water and Sewer Service</u> To reduce pre-mature assessment costs to developed property, public water and sanitary sewer need only be provided to developed areas where there is either an existing or eminent health concern identified by the City, or where the extension of services is part of the implementation of the City's long range utility plans. At any time, property owners may also petition the City for the extension of services. At that time, the City shall prepare a plan/concept outlining how, when, and at what cost services might be provided. The City shall allow for input on the prepared plan/concept prior to proceeding with implementing the request and assessing the cost to individual property owners. The intent of this provision is to allow property owners to evaluate the cost/benefit of services where other health concerns or the implementation of long range plans does not exist.
- (f) <u>Township Requested Improvements</u> The Township, on behalf of the proposed annexation area, may request that specific improvements be installed to address a specific problem and/or deficiency. To be considered by the City, the Township shall notify the City of any requested improvements prior to or as part of the first public hearing, as required by state statute. Any request made after that time shall not have standing and may be considered solely at the discretion of the City. If no agreement can be reached regarding the need for the requested improvements within the annexation area, the annexation may not proceed until the disputed installation of improvements is resolved in accordance with the Mediation/Arbitration portion of this Agreement.
- 9. <u>Annexation Eligibility</u>. Attached to this Agreement as Exhibit A is an Annexation Staging Area Map. If all of the other requirements for annexation contained in this Agreement are met, property within the Annexation Staging Area is eligible for City-initiated annexation in accordance with the following schedule:
 - (a) Property located in Area A is eligible for annexation any time after both the City and the Township approve this Joint Resolution.
 - (b) Property located in Area B is eligible for annexation any time after December 31, 2017.
 - (c) Property located in Areas C and D is eligible for annexation any time after December 31, 2017, provided, however that no property in Area C can be annexed until at least 25% of the property located in Areas A & B combined has been annexed into the City.

(d) Property located in Areas E and F are eligible for annexation any time after January 1, 2050.

The City is not obligated to initiate annexation of all of the property in any particular area before initiating annexation of property in another area.

Section III — Municipal Reimbursement

- 1. <u>Municipal Reimbursement</u>. It is generally recognized that the fiscal planning for any government entity occurs in the calendar year prior to the actual expenditures. Whereas, the annexation of property could pose a hardship on the Township having planned for a certain income that is no longer available upon annexation. To address this potential hardship, the Township and City mutually agree and state that, pursuant to state statute, a reimbursement from the City to the Township shall occur for the taxes collected on land annexed into the City. Reimbursement shall occur as identified herein. Any and all of the applicable property taxes collected in the area designated for Orderly Annexation shall remain the property of the Township. Excepting required reimbursement, upon annexation, any and all property taxes collected from the annexed properties shall be the property of the City. Reimbursement from the City to the Township shall occur as follows:
 - (a) <u>Rate/Amount</u> The City shall reimburse the Township by a cash payment, based on the Township's tax rate and the taxable market value of each annexed parcel as of January 2 of the year in which the parcel is annexed multiplied by a 7-year period of time. The year the property is annexed shall be determined by the date of MBAU approval.

For purposes of calculating the amount of the City's reimbursement, the taxable market value of any parcel annexed into the City will be determined by using the taxable market value of the parcel as of January 2, 2017 increased by 3% annual simple interest until January 2nd of the year in which the parcel is annexed. The following examples illustrate how that calculation will be made:

Example 1. Parcel A has a taxable market value of **\$100** as of January 2, 2017. Parcel A is annexed into the City on July 1, 2018. For purposes of calculating the City's required reimbursement to the Township, the taxable marketable value of Parcel A as of January 2, 2018 is **\$103**.

Example 2. Parcel B has a taxable market value of **\$100** as of January 2, 2017. Parcel B is annexed into the City on July 1, 2020. For purposes of calculating the City's required reimbursement to the Township, the taxable market value of Parcel A as of January 2, 2020 is **\$109**.

Attached to this Agreement as Exhibit B is a list of all of the parcels of land currently located in Areas A, B, C, and D of the Annexation Staging Area Map and the taxable market values of those parcels as of January 2, 2017. The taxable market value for each parcel listed on Exhibit B will be used as the starting point for making the 3% annual adjustment required by this provision.

(b) <u>Reimbursement Payment</u>— The City shall reimburse the Township with the amount of funds as determined herein by a single payment to the Township within sixty (60) days after the parcel is annexed into the City.

<u>Reimbursement Payment Example:</u> Parcel A is annexed into the City on July 1, 2018 and the taxable market value of the parcel as of January 2, 2018 as determined in paragraph (a) above is \$100,000. If the Township's tax rate as of January 2, 2018 as applied to that taxable market value for Parcel A would result in \$700 of property taxes being paid to the Township, the City is required to pay \$4,900 to the Township. The payment is due by August 31, 2018.

- 2. <u>Tax Exempt Property</u>. Where a property is annexed that is publicly owned or is currently exempt from local property taxes, the exemption shall be maintained and no reimbursement shall be required from the City to the Township.
- 3. <u>Bonded Improvements</u>. The Township may bond for capital expenditures in accordance with applicable state statutes. However, the Township shall be solely responsible for bearing the costs associated with paying back the bond unless a previous agreement is reached between the Township and the City.

Section IV — Miscellaneous Conditions.

- 1. <u>Annual Area Limits</u>. Within any given calendar year, the City shall be limited to a maximum area it may annex without property owner petitions. The City shall be limited to a maximum City-initiated annexation area of two hundred and fifty (250) acres per calendar year of developed and undeveloped property combined. For the purposes of this Agreement, publicly owned property, or property currently exempt from local property taxes, shall not apply or count toward the maximum area limitation.
- 2. <u>Township Requested Annexation</u>. Over time, it is likely that pockets or islands of the Township will be created due to annexation. At which time, the Township may determine that it is either a financial burden or undesirable to provide service to specific properties. To alleviate the effects of continual annexation and the creation of pockets and islands, the Township may at any time require

the City to annex properties that are completely surrounded by the City, as defined within this Agreement. Annexation requested by the Township is subject to the following:

- (a) The Township shall notify the City of this request by certified mail identifying all properties requested to be annexed.
- (b) The City shall have a period of one (1) year from the date of notification to initiate the annexation of the properties associated with the request.
- (c) No reimbursement shall be required from the City to the Township for Township requested annexation of property.
- (d) There shall be no size or area limitation placed on Township requested annexation.
- 3. <u>Existing Platted Additions Sewer Hook-Up and Related Charges</u>. The twenty (20) existing neighborhoods set forth in Exhibit C_("Qualifying Subdivisions") as established platted subdivisions within the Township shall be subject to the following special provisions:

(a) Notwithstanding any other provision in the City Code to the contrary, no parcel of land in a Qualifying Subdivision where lateral sanitary sewer service is available will be required to hook up to the City sanitary sewer system after annexation if the parcel has an operating septic system that complies with all County standards, until the parcel is sold or until the septic system becomes defective, whichever occurs first. A septic system becomes defective when: (1) substantial repair, such as replacement of drain field lines, is needed; (2) replacement of a well is needed; or (3) the system no longer fully complies with all County standards.

(b) At the time of connection to the City trunk sanitary sewer, the property owner will be required to pay all connection fees and lateral/trunk sewer charges at the applicable rates in effect at the time of connection.

4. <u>Exemption for Court Ordered Extension of Services</u>. The Township and City recognize that a situation may come to exist that a judicial decision may be made that requires the City to extend water, sewer, or other municipal service to a portion of the Township. If a legally binding court order exists with no possibility of further disruption on appeal, and the contract for the extension of services has been completed, the annexation of that property may be initiated by the City in accordance with the Township requested annexation provisions of this Agreement in the preceding section, rather than the more stringent City initiated provisions. In cases where the order is relative to only a portion of a residential subdivision, the annexation may include the entire subdivision to facilitate the extension of services, at the discretion of the City.

Road Maintenance. If land is annexed into the City whereby ownership extends 5. to the centerline of a Township road, the City shall assume maintenance of said road.
